GENERAL INFORMATION

Cell Phone/Electronic Device Policy

Once at school, phones should be turned off and out of sight. Phones that ring, beep or are used for any type of communication (calls, text messages, cameras, music etc.) during the school day disrupt the learning environment. Remember the three R's (Remind, Referral, Remove)

Procedure for Handling Issues of Non-Compliance with Cell Phones/Electronic Devices

First Offense: Student will receive a *reminder* about the school policy and will receive a warning to put the mobile phone/electronic device away.
Second Offense: Student will be issued a *referral* for violating the policy if the cell phone/electronic device is seen or heard after the warning.
Third Offense: Student will be *removed* from the classroom for violating policy and sent to the Academy Administrator.

IF A STUDENT REFUSES TO PUT THEIR PHONE/ELECTRONIC DEVICE AWAY AT ANY TIME, THEY WILL IMMEDIATELY BE REMOVED FROM THE CLASSROOM AND SENT TO THE ADMINISTRATOR OR DESIGNEE FOR CONSEQUENCES.

IF A STUDENT REPEATEDLY VIOLATES THE CELL PHONE/ELECTRONIC DEVICE POLICY, PARENTS WILL BE ASKED TO KEEP THE PHONE/ELECTRONIC DEVICE AT HOME.

STUDENTS ARE NOT ALLOWED TO USE CELL PHONES/ELECTRONIC DEVICES DURING TRANSITION PERIODS. ANY VIOLATION OF THIS POLICY WILL RESULT IN AN IMMEDIATE DISCIPLINE REFERRAL.

Electronic Devices

Electronic and battery-operated devices including, but not limited to, laptop computers, iPods, PSPs, gaming devices, CD players, MP3 players, tape decks, radios, beepers, cellular phones, yak backs and laser lights are not permitted during instructional time unless they are approved by a teacher for an instructional activity. The Superintendent of the Long Branch School District, as approved by the Board of Education, has prohibited all students from using paging or text-messaging devices, cellular telephones or other forms of telecommunication within the school building, during the school day, on the grounds that they are a distraction to the educational process, unless the student has previously received express authorization from an Academy Administrator to use such device. Such devices should not be in use or audible in the school during the school day as that time period is defined by the administration. Students who violate this policy shall be subject to established disciplinary measures as set forth in this Handbook. Electronic devices (not including cell phones) will only be permitted during the student's assigned lunch period.

Responsibility for Cell Phones/Electronic Devices

Students who bring cell phones/electronic devices to school will do so at their own risk. Staff members and administration will not accept any responsibility for loss/ damage to mobile phones/electronic devices nor will they investigate the situation.

***Administration is not responsible for lost or stolen electronic devices nor will they investigate.**

Recording School Activities

Use of any recording equipment without the written consent of the Superintendent of Schools is strictly prohibited.

Graffiti and Vandalism

Graffiti and Vandalism are serious offenses. Students who mark on or damage school property will be required to clean and/or repair the items that they deface. The consequence for such behavior may include suspension, expulsion, and/or police involvement. Students will not be able to participate in any extracurricular activities until any damage that is incurred is paid for.

Lockers

Individual lockers are assigned to students each year. The lockers are school property therefore they may be inspected and/or searched by school administration or designated security staff. School officials will seize any illegal materials that are found during locker inspection/searches. Such materials may be used as evidence against a student in disciplinary proceedings. Prior to a locker search, a student shall be notified and given an opportunity to be present at the search. If, however, school authorities have reasonable suspicion that the locker contains material that poses a threat to the health, welfare, and safety of students in the school or the school environment, a student's locker may be searched without prior warning.

1. **Students are not permitted to share lockers with other students.**
2. Lockers must be kept locked at all times and the combination should not be given to others.
3. Students must keep the locker in an orderly fashion and reasonable standards of cleanliness.
4. Students must clean out their lockers at the end of the school year. Any items left in lockers will be discarded.
5. Students are not permitted to decorate lockers externally unless granted permission by Academy Administrator.
6. **The school is not responsible for items left in the lockers during the school year or over the summer.**

Financial Obligations

All financial obligations incurred by students (through lost/damaged textbooks, borrowed books/computers, athletic equipment etc.) must be cleared by the end of each marking period. Students who do not clear their obligations will not be able to:

1. receive interim or report cards
2. hold an office in any club
3. participate in any sports activities
4. participate in school plays, band or any auxiliary squads
5. participate in any field trips
6. may not borrow any materials from the library until obligations are met.
7. laptops will not be signed out to students who owe financial obligations.

Financial notices from departments are kept and paid for in the academy offices.

Identification Cards

ID cards will be provided during the first week of school. Replacement ID card forms may be obtained in the academy offices. There will be a \$5.00 charge for all replacement ID cards. **Students must have their ID cards on their person and visibly displayed at all times.** The identification cards will be used for the following:

- Identification to staff and supervisors upon request
- Admission to athletic contests and extracurricular activities, including school dances
- To obtain working papers
- To obtain lunch or breakfast in the cafeteria. (Any student that does not have their ID card will receive a cold lunch.)
- Signing in late to school

The use of these cards will be required for other activities designated during the course of the school year.

Forms

Students have a responsibility to return all mandatory school forms upon request. Failure to return forms will result in loss of privileges which may include extracurricular activities.

Lunch Forms

All lunch forms must be submitted by **September 15**. Failure to submit this form will jeopardize the following:

- Continuation of Free or Reduced lunch status. (Any student who does not submit a form will be required to pay full price, regardless of free/reduced lunch during the past school year.
- Receiving fee waivers for SAT/ACT and college Applications
- Scholarship opportunities
- Participation in athletic/extracurricular activities

If you have any questions about the lunch program or lunch program application, contact your Academy office.

Senior Activities Contract Form

In order to participate in any Senior activity, students must hand in a Senior contract signed by both the student and the parent. Any Senior violating the contract will be excluded from participation in Senior activities. These activities include but are not limited to the graduation ceremony, prom, and Senior trip.

PL874 Forms

PL 874 forms are utilized to determine State funding. All completed forms should be returned to the students' academy office by the due date listed on the form.

Media/Publicity Form

During the school year, students are often involved in programs and activities that merit recognition. The school district likes to publicize the

students' participation through media types including but not limited to newspapers, television broadcasts, and other publications. In order for a student to be photographed and/or videotaped this form must be returned with a parent signature.

Nurses Forms

- Emergency cards: These cards are vital to ensure the safety of our students. The contact and health information is used to ensure that our students receive proper medical attention and so parents or emergency contacts can be contacted in the event of an emergency. All emergency forms must be returned by September 15.
- Tylenol Consent Form: This form gives permission for the school nurse to dispense Tylenol to any students to relieve minor aches and pains. This form must be returned by September 15.

SBYS Forms

- Teen Screen Consent Form: A signed parent approval will allow SBYS to screen and evaluate the student.
- SBYS Consent Form: A signed parental consent will allow students to receive medical services, counseling and referral services.

Change of Address and Telephone Numbers

Any student who has a change of address and/or telephone number should report the change immediately to their assigned Academy Office.

Lost and Found

A lost and found will be housed in the library. If you lose something, go to the room in which you last remember having it and look around. If it is not there, then go to the library and ask the librarian to see if your belonging has been turned in. If it is not in the library, write down everything you can remember about the lost article(s) and report it to your Academy Administrator. If you find books, clothing, jewelry or something else, please take the articles directly to the library.

***Administration is not responsible for lost or stolen personal items nor will they investigate.**

Emergency School Closing

In the event of inclement weather or any other emergency, you will receive a call via our automated calling system. Please make sure all phone numbers are up to date and provide your child's academy office with any changes as soon as possible. Additionally, you may listen to the following radio stations for emergency closing information: WRAT 95.9FM, WOBN 92.7FM, WHTG 106.3FM, 1170AM, WJLK 94.3 FM, 1310AM, NJ 101.5FM, WNJR 1430AM, 107.1 FM

Fire/Emergency Drills

At least two fire drills are held each month. Passing instructions are posted in each classroom in the building. Students are to familiarize themselves with these directions. Students must walk rapidly and not talk so instructions may be heard. If the exit normally used has been blocked, pupils are to return quietly and use the nearest exit. Once students are out of the building, they are to move away from the outer walls and across any access areas (driveways, sidewalks) to a safe distance from the building.

Visitors

All visitors to the high school should report to the Main Office immediately. Visitors will receive passes which must be visible at all times. Students are not permitted to bring guests to school for the purpose of attending classes or lunch. Visitor passes will not be granted for these purposes.

Right To Know

The Long Branch Public Schools comply with PL 1997, Chapter 64, also known as "Right to Know" legislation, concerning the use and storage of certain hazardous substances in public schools.

Parent Conferences

Parents may request a conference with their child's teacher at any time during the school year. Please contact your Academy Guidance Counselor for an appointment if a conference is desired. Parent-Teacher conferences will be held twice a year.

Library

Our library media center (LMC) offers students a full range of electronic and print resources. Print resources include over 26,000 books, 60 magazines, SIRS reference library, a popular paperback collection and an excellent reference collection. Electronic resources include laptop and desktop computers which may be used in the library for work processing or research purposes. Computer users may print schoolwork only and all computer users are required to use their personal log-on code. Books may be borrowed for two weeks and renewed for two more. Reference books and laptop may be borrowed overnight with the librarian's permission. All students are responsible for returning books on time! Students who do not return their books or laptop computers will be required to pay for these items. Use your LMC often and enjoy learning.

Health Office

A student should come to school physically well and able to participate in class for the entire day. A student who is ill should remain at home to protect his/her own health as well as the health of others. If the student becomes ill during the day, he/she is to go to the nurse's office with a referral slip filled out by the classroom teacher. If a student must be sent home, a parent/guardian must be contacted by telephone before permission to leave the building is granted.

If a student needs further medical attention and has a School Based Youth Services consent with a parent/guardian signature on file, he/she may be scheduled for an evaluation by our Nurse.

Communicable Diseases

The State Department of Health Regulations requires that all school children be immunized against diphtheria, pertussis (whooping cough), tetanus, measles, rubella (German measles), hepatitis, meningococcal, polio and mumps. Students not in compliance with immunization regulations may be excluded from school. School nurses and the City's Department of Health provide information on these requirements. Whenever a physician diagnoses a designated infectious disease, it must be reported to the Long Branch Department of Health. Parents should follow the advice of their physician, as well as any requirements of the Health Department with respect to exclusion of the child from school. You must present documentation of medical release from a physician upon returning to school.

Chicken Pox

If your child has chicken pox, do not send him/her to school, and call your doctor. Notify the school nurse. Your child should stay home for at least 7 days after the appearance of the first outbreak of vesicles.

Strep Throat/Scarlet Fever

Your child may return to school after 24 hours of antibiotic treatment prescribed by a doctor. A note from a physician must be presented to the school nurse.

Influenza

Keep pupil home from school until clinical recovery and notify the school nurse immediately. (732-229-7300 ext. 41050) The pupil should return to school with a note from the family physician stating that the child is allowed to return. Other school children in the family will not be excluded from school.

Hearing and Vision Screening

District policy requires hearing and vision screening for ninth and tenth graders. Faculty members refer any student, who is suspected of having a hearing or vision loss, to the school nurse.

Scoliosis Screening

All students 10-18 years of age are screened bi-annually for scoliosis.

Physical Examinations

District policy requires students to have periodic physical examinations as follows:

- a) Students in 10th grade
- b) Pupil Personnel referrals
- c) School-sponsored athletics
- d) New entrants

A parent, who does not want his/her child to participate in the physical examination or screenings as previously mentioned, must present their refusal in writing at the beginning of the school year to the school nurse. Parents also have the option of having physical examinations done by their own physician. A printed form furnished by the school needs to be filled out, signed by the physician, and returned to the school.

Examination Results

A written notification is sent to parents of students having suspected vision or hearing loss, suspected scoliosis, or who need attention following the medical examination. Please have your doctor sign the notification, noting what correction has been made and when. Please return the notification to school so that health records can be completed.

Working Papers

Students who need working papers are required to have a physical examination. Students may schedule an appointment in the school nurse's office.

Medications

Do not send in any kind of medication without speaking to the school nurse first. Medication includes cough syrup, allergy medicine, aspirin etc. All medications taken in school must have written parent or guardian permission and a doctor's note.

Accidents

All accidents are to be reported to teacher/coach and school nurse immediately. The teacher/coach and school nurse will follow established procedure for preparation of accident report forms and/or notification the athletic office, medical department, etc.

Insurance Claims

The responsibility of sending hospital and physician's statements to the insurance company rests with the parents/guardians.

The following steps are recommended:

1. The parent or student reports to the Athletic Trainer for the necessary forms if the injury occurred participating in a school-sponsored sport or to the school nurse if the injury occurred in gym class or in any other school-related activity. The form is submitted by the parent/guardian to the Board of Education insurance carrier AFTER THE CLAIM HAS BEEN PROCESSED BY THE PARENT/GUARDIAN'S PRIVATE INSURANCE.
2. Keep copies of all forms and correspondence.
3. All claims should be made and processed as soon as possible in order to stay within the time limitation of the policy. THE SCHOOL'S COVERAGE IS SECONDARY COVERAGE. It will commence after your insurance (Blue Cross-Blue Shield, Major Medical, etc.) provides the basic coverage.
4. If the parent has questions or needs help completing the form, they should contact the School Nurse or Athletic Trainer.

Medical Excuse/Release Procedure for Physical Education

All students in grades 9 through 12 must take Physical Education for three quarters and Health for one quarter, unless removed by their guidance counselor. All students who request a medical excuse for one day and up to four days must present the nurse with a parental or doctor's note requesting such. This note must be presented to the nurse either before school, or between classes. The P.E. teachers will not allow students to leave class to obtain medical releases.

The nurse will then issue a medical release that the student must present to the teacher at the start of class. This release will excuse the student for the participation aspect of Physical Education, not the preparation. All students who receive a medical release for up to four days must report to Physical Education class to prepare.

If the nurse issues a medical release for five days or longer, the nurse will remove the student from Physical Education class and have them placed in a study hall until it is time to return to class. It is the responsibility of the student to return to gym class when the medical release runs out. Any student who does not return to class on time will be treated as if he/she has not participated in class and will receive a zero for each day missed. Any student who receives a year or half-year medical release will have the Physical Education credit required by the state waived, but may need to pick up a full or half-year course to meet the L.B.H.S. graduation requirement. Please check with your counselor. Student-athletes are allowed to visit with the Athletic Trainer during Physical Education class time with prior permission of the P. E. teacher and Trainer.

REFERRAL SERVICES

Intervention & Referral Services (I&RS)

Students who are experiencing ongoing academic/health and/or behavioral difficulties which interferes with school success may be brought to the attention of the I&RS Committee. Referral of a student may be made by administrative, instructional and other professional staff or parents to determine the eligibility of services through this committee. Active parental involvement is encouraged in the development and implementation of interventions with this general education program. If I&RS services have been implemented, the student may be referred to receive District services that fall under 504 or Special Education.

Student Assistant Coordinator (SAC)

Our program offers a wide range of services to address the common issues and needs presented by our students including problems associated with depression, suicide related issues, teen pregnancy, substance use, violence and the stresses that accompany these serious matters. The services of the Student Assistance Program are **confidential** and offered in a comfortable, non-threatening environment here at the high school. Parents, students and staff may make referrals to the program.

TRANSPORTATION

Bus Transportation

Students who live more than 2.5 miles from Long Branch High School will receive bus tickets provided by the Board of Education. Only students with bus tickets will be allowed to board the bus. Students must arrive on time for the vocational bus. Students who miss the bus for the vocational program may result in the student being removed from the program. The bus is an extension of the school thus all school rules apply. ***Students who violate bus rules will receive disciplinary consequences according to the school discipline policy and may be suspended from riding the bus. In the event that a student's bus privileges are suspended, the parents of the pupil will become responsible for the safe transportation of the student to and from school for the duration of the suspension.***

Bus Rules

Students must:

1. Be on time at the designated bus stop.
2. Be courteous to fellow pupils, bus drivers, aides, and fellow pupils.
3. Keep hands and head inside the bus at all times after entering and until leaving the bus.
4. Remain in their seats.
5. Refrain from horseplay
6. Assist in keeping the bus safe and sanitary at all times.
7. Refrain from eating or drinking.

Student Parking

- Only Senior students will be granted the privilege of parking on school grounds. Any underclassmen that choose to drive to school must park off campus.
- Senior students must park their cars in the rear parking lot or on the street where not prohibited. Cars parked illegally may be towed at owner's expense.
- Students take all responsibility for tickets for illegal parking, damage caused to their cars, and stolen items from their cars. ***The school will not be responsible for damage or theft any student vehicle.***
- Students are not allowed to go to cars or leave school grounds with their cars during school hours unless the student has obtained permission from their Academy Administrator's office.
- Dangerous or reckless driving or noncompliance with any of the students' parking regulations will result in revocation of parking privileges.

DRESS CODE

Grade 9 through 12 UNIFORMITY OF DRESS

The Long Branch High School will follow a "Uniformity of Dress" plan for grades 9 through 12. **Any student in violation of the dress code policy will be removed from class and sent home to change into proper attire. If arrangements for a change of clothes cannot be made the student will be placed in the in-school suspension room for the remainder of the day.**

 - Jewelry that is symbolic of gangs or disruptive groups, associated with threatening behavior, harassment or discrimination and which cause a disruption within the school environment is not permitted.
 - Sunglasses, unless prescribed by a medical physician for indoor use, are not permitted.
8. **Miscellaneous**
 - Clothing, jewelry, or tattoos symbolic of gangs or disruptive groups, associated with threatening behavior, harassment or discrimination and which cause a disruption within the school environment.
 - Any unnatural hair color is not permitted as determined by the Academy Administrator.
 - Items that can be dangerous are not to be worn in the hair, i.e. picks, curlers, combs, or hair rakes.
 - Headphones must not be visible either in the ear or hanging out of shirts.

Consequence for Inappropriate Dress

*Inappropriate dress is defined as clothing or other styles and color, which deviate from the acceptable dress code policy Consequences for students inappropriately dressed will be the following:

- First offense- Student sent home to change. If a parent/guardian cannot be contacted, the student will remain in In-School Suspension until appropriate attire is obtained.
- Second offense- In-School Suspension with extended detention and parent conference.
- Additional failures to comply will result in suspension and loss of privileges, including but not limited to extracurricular activities and class trips.

***Please Note: Ultimately all dress code violations and their consequences will be determined by the Academy Administrator.**

Graduation Requirements

Students must complete the following two requirements in order to be awarded a high school diploma.

- 1.) **Students must earn a minimum of 120 credits in the designated content areas.**
The credit requirements for each content area are:

- A minimum of twenty (20) credits in English (Language Arts Literacy)
- A minimum of (15) credits in Mathematics
- A minimum of (15) credits in Social Studies including World History, United States History I and II
- A minimum of (15) credits in Science
- Five (5) credits a year in Physical Education, Health and Safety Education during each year of enrollment
- A minimum of (5) credits in Visual and Performing Arts and/or Practical Arts
- A minimum of (5) credits in Career Education and Consumer, Family and Life Skills or Vocational-Technical Education
- A minimum of (5) credits in World Languages
- A minimum of (2.5) credits in economics beginning with the Class of 2014
- Technological literacy, consistent with the Core Curriculum Content Standards, integrated throughout the curriculum

2.) All students must pass the High School Proficiency Assessment (HSPA) or the Alternative High School Assessment (AHSA)

High School Proficiency Assessment (HSPA)

- The High School Proficiency Assessment (HSPA) is a State-mandated exam which measures proficiency in the areas of language arts and mathematics. Students receive a scale score between 100-300. To meet the State-testing requirement, a student must achieve a score of at least 200 in both the language arts and math sections.
- The HSPA will be administered in March of the eleventh grade year. Students who fail to achieve the minimum passing score of 200 during the March administration will receive mandatory remedial instruction during summer of the subsequent year before being allowed to retake the test in the October of their twelfth grade year. While scores for the October administration are being processed, the students will continue to receive remedial services since they will be allowed one additional attempt to pass the HSPA in March of their Senior year as well.

Alternate High School Assessment (AHSA)

- The Alternate High School Assessment (AHSA) is a State-issued alternative exam for students who are unable to achieve a minimum passing score of 200 on the HSPA during the first two test administrations. The AHSA allows students to be retested only on the specific skills in which they were unable to demonstrate proficiency.

- The AHSA process consists of two components: the instructional program and the actual administration of the exam.

AHSA Instructional program

In order for a student to be eligible to take the AHSA exam, he/she must be enrolled in an instructional program that focuses on remediation in the specific areas of weakness as identified by the scores attained on the HSPA. Long Branch High School will provide all students who have not passed the HSPA with a class designed specifically for this purpose. Students will start the class at the beginning of their twelfth grade year and will remain enrolled until they achieve a minimum passing score on either the AHSA or HSPA.

AHSA Exam Administration

The AHSA exam is administered twice during the course of the twelfth grade year. The exam administration will take place during a three - week period during which students will complete individual tests that measure the specific skills which they were unable to successfully demonstrate on the HSPA. Once the testing period is complete, the exam will be scored through the New Jersey State Department of Education. While the scores are being processed, the students will continue in the AHSA class to prepare for the second AHSA Exam administration in the spring.

Once a student achieves the minimum passing score on the AHSA, they have met the State-testing requirement. Students who are unable to achieve a minimum passing score during the first two administrations of the AHSA exam will be given one final opportunity in July after their twelfth grade year. If they wish they can continue to return to the school the following year to take the HSPA to attempt to achieve a passing score.

STUDENTS WHO DO NOT ACHIEVE A MINIMUM PASSING SCORE ON THE HSPA OR AHSA WILL NOT RECEIVE A HIGH SCHOOL DIPLOMA AND WILL NOT PARTICIPATE IN THE GRADUATION CEREMONY.

Academic Information

Long Branch High School is a four-year comprehensive high school containing grades 9 through 12. Students are offered a curriculum with the opportunities for college preparatory, business and career-oriented studies. The High School consists of three small learning communities: the School of Leadership (LDR); the School of Sciences, Technology, Engineering and Mathematics (STEM) and the School of Visual and Performing Arts (VPA). Teachers work in a collaborative environment and are committed to the learning of the students to ensure their academic success.

Grading System

Full year course credit is based on four (4) marking period grades plus a mid-term and final examination grades. All grades assigned will be numeric grades.

- 92-100 Excellent
- 84-91 Good
- 77-83 Fair
- 70-76 Poor
- Below 70 Failure

Incompletes

An "Incomplete" can be given during any of the four marking periods. Students have two weeks after the marking period ends to complete the work. Extenuating circumstances may warrant closer examination and additional time. If the student does not complete the make up work by the end of the allotted time and no extenuating circumstances exist, he or she will receive a grade based on the work that was originally completed.

Grade Weighting for Honors Courses

Both Honors and Advanced Placement Courses will be weighted. For these courses, a multiplier of 1.12 will be used to calculate the actual grade. For example, in a Chemistry Honors class a grade of 90 would be multiplied by 1.12. The final grade would be a 90 x 1.12 which equals 100.8. The weighted grade will be used to determine class rank and will appear on the final transcript.

Grades will be weighted for the following courses:

ENGLISH

English 9 Honors
English 10 Honors
English 11 Honors
AP English 12

FOREIGN LANGUAGE

French IV Honors
French V Honors
Italian IV Honors
Italian V Honors
Spanish IV Honors
Spanish V Honors

SOCIAL STUDIES

World History Honors
U.S. History I Honors
AP U.S. History II
AP World History
AP Psychology
AP Government
AP Macroeconomics

MATH

Algebra II Honors
Geometry Honors
Pre-Calculus Honors
AP Calculus

SCIENCE

Biology Honors
AP Biology
Chemistry Honors
AP Chemistry
Physics Honors
AP Physics

High Honor/Honor Roll

1. To be eligible for the Honor Roll, a student must have an 84 average with only one (1) grade below 84 and that grade cannot be below 77.
2. To be eligible for the High Honor Roll, a student must have a 92 average with only one (1) grade below 92 and that grade cannot be below 84.

For High Honor Roll and Honor Roll purposes, the grade assigned in Honors courses will be multiplied by the same multiplier used in determining class rank

Promotion

Students will be promoted based on the number of credits that they earn by the end of each school year. Students gain credits by achieving a final grade of 70 or above in the courses in which they are enrolled. Final grades are calculated by using a combination of marking period and midterm and final exam grades.

The promotion schedule is as follows:

- In order for a 9th grade student to be promoted to 10th grade, he/she must have earned a total of 25 credits.
- In order for a 10th grade student to be promoted to 11th grade, he/she must have earned a total of 55 credits.
- In order for an 11th grade student to be promoted to 12th grade, he/she must have earned a total 85 credits.
- In order for a 12th grade student to be eligible for graduation, he/she must have a total of 120 credits.

Please note: In addition to the 120 credits, the student must meet all other graduation requirements as listed on page 14 under "Graduation Requirements"

Retention

If a student does not meet the minimum number of credits at the end of the year, he/she will not be promoted until the necessary credits are earned. He/she will remain in their current grade.

Summer School

Summer school will be available to students who lack credits due to failed courses. Students who wish to make up credits in an effort to remain on target for graduation with their class may choose to enroll in summer courses. Course offerings will be based on enrollment. Students must meet the summer school criteria and complete the application process (both listed below) in order to attend summer school.

Summer School Eligibility Criteria

- ***Attendance Rate***

The student must: have an attendance rate of 90% in the course during the regular school year.

- ***Number of Failures***

Students who fail three or more making period will not be able to attend summer school.

- ***Teacher Recommendation***

Teachers will make recommendations for students who should be able to attend summer school. Their recommendations will be based on student performance and skill level (assessment data and class work) as well as behavior and attendance.

- ***Administrative Approval***

Administration will review teacher recommendations/justifications and make a determination as to whether the student will benefit from summer school or repeating the class. The focus is to make sure that the students have gained the skills necessary to advance to the next level of course work and to pass the High School Proficiency Assessment (HSPA) and/or End of Course Assessments.

Summer School Application Process

Summer School Applications will be sent to the parent/guardians of all students who fail classes for the year. The application must be completed and returned to the main office by the due date specified in the letter. If applications are not returned on time students will not be allowed to attend summer school.

Mid-Term and Final Exams

Mid-term and final examinations will be taken by all students in courses which currently require exams. The minimum grade that can be earned on the mid-term exam is 60. The grade given on a final examination is the numerical grade earned. If a student neglects to take an exam, a zero will be awarded for that exam grade. Seniors with a 92 average or better through four marking periods, with the permission of the teacher, may elect not to take the final exam.

Extra Help

The following programs are available for students who need extra help with their school work.

- **Teacher Help**

Teachers are available after school hours to provide extra assistance to students who are having difficulty making satisfactory progress. Students

who desire assistance should make an appointment to meet their teacher after school. Students are encouraged to take advantage of this opportunity to assist them in making progress in school.

- **Homework Club**

Homework club is a free program for all Long Branch High School Students. Students may come to homework club to receive help on homework or tutoring. The club is staffed by certified teachers and runs Monday through Friday from 6:30-7:30am and 3:00-5:00pm Monday through Thursday. All school rules apply. Any unacceptable behavior during homework club will result in removal and disciplinary action. Multiple infractions may result in permanent removal from the homework club.

- **Supplemental Educational Services Program**

Students who receive Free and Reduced will be eligible for extra help through our supplemental services which will be provided by a New Jersey State Approved Service Provider. The parents/guardians of eligible students will be contacted at the start of the year to attend an informational session at which time the program will be explained in detail.

Attendance Policy

The Long Branch Board of Education recognizes that attendance at school is compelled by N.J.S.A 12A:38-25 for students six to sixteen. The goal of the Long Branch High School Attendance program is to ensure that all students receive the amount of instructional time necessary to develop the knowledge and skills necessary to meet the State mandated graduation requirements.

The Long Branch High School Attendance policy requires that all students have an attendance rate of at least 90% in each class. This equates to a maximum of 2 days absent per making period and total of 8 days for the year.

Any student who exceeds 2 absences in a class for the marking period will be placed in No Credit status for that particular class. Students who wish to regain credit for the class will be given the opportunity to make up the credit through our Credit Recovery Program (CRP). If a student does not complete the Credit Recovery Program (CRP) or is ineligible to do so (see eligibility requirements on page 18-19), they will not receive credit for the marking period and will receive a grade of 60.

Absences

Absences from school shall be defined as non-attendance in regular classes and/or assigned location for the school day. Absence from school shall either be excused or unexcused. ***However, lost instructional time beyond the 2 day maximum will have to be made up by the student regardless of whether the absence is excused or unexcused.***

- ***An Excused Absence*** shall be defined as an absence occurring with the approval of an Academy Administrator or Lead Principal. Examples include, but are not limited to, activities such as personal illness, death in the family, religious holidays, school sponsored educational activity, and external activity sanctioned or approved by the Academy Administrator or Lead Principal such as medical appointments, family emergencies, or full day court appearances.
- ***An Unexcused absence*** shall be defined as one that does not have approval of an Academy Administrator or Lead Principal. Examples include, but are not limited to activities such as shopping, working, faulty private transportation, hairdresser appointments, personal prom preparations, vacations without permission from the Academy Administrator or Lead Principal. ***If a student leaves school without permission from the nurse or the Academy Administrator they will receive a consequence for cutting and will not count as an excused absence. Additionally, absences due to being sent home for dress code violations will be considered as an unexcused absence from the classes they miss.***

As per NJ State mandate a student with ten consecutive unexcused absences will be removed from the rolls after a designated investigation period.

Students who exceed four absences must appeal to the attendance committee in order to receive special permission to participate in the Credit Recovery Program. The final decision will be based primarily on the student's academic performance in the classroom and the number of absences.

Please note: The greater the number of absences the student has, the less likely the student will receive approval based on appeal.

Procedure for Absences

1. Parents shall notify the school the morning of the absence before 8:00 am by telephone or note. Call 732-229-7300 extension 41005.
2. When the student returns to school he/she must bring a note signed by the parent and any additional documentation. This documentation is to be presented to the Academy Administrator within 24 hours of the student's return to school. The administrator will then make the determination if the absence is to be considered excused.

***Please Note:** Any students who are absent from school are not allowed to participate in any extra curricular activity including practice, games or performances unless the Academy Administrator or Lead Principal has issued a release

Attendance Monitoring

Long Branch High School will use the following tools to notify parents/guardians of student absences and tardies:

- **Automated call system**
The parents of any student who is absent for the day will be contacted via our automated phone system. It is essential that the school has all updated contact information so that contact can be made.
- **Progress Reports**
Each teacher will send home a progress report from each teacher three times per marking period to be signed by both the student and parent. The report will include the student's daily attendance in each class.
- **Report Cards**
Report cards will be mailed home at the end of each marking period. The student's attendance in each class will be listed.
- **Teacher Contacts**
Teacher will contact the parents/guardians of students whose attendance is negatively impacting their academic performance.

- **Student Facilitator/Counselor/Attendance Officer**

Parents of students who have chronic attendance issues will be contacted by Student Facilitators, Counselors, and Attendance Officers. Extreme cases will be referred to the Long Branch Municipal Court.

Early Dismissal from School

Any student who is dismissed from the building early must have permission from their parent/guardian. The parent/guardian must pick the student up or call to the main office to grant permission. The school will not permit any student to leave the building without making contact with the parent. In the event that a student leaves the building without permission, they will be given consequences and the parent/guardian will be contacted.

No student who leaves school early is allowed to return to participate in athletics or any other extra curricular activities.

Credit Recovery Program (CRP)

The Credit Recovery Program is designed to allow students who are in No Credit status to regain class credits. Students who choose to participate in the program will be required to complete all assigned course work before they receive class credit. The work assigned will be aligned to the course content that the student missed or is having difficulty with in the class.

Credit Recovery Program Eligibility Criteria:

- **Attendance**
Students must have no class cuts for the marking period.
- **Discipline Referral**
Students must have less than three (3) discipline referrals.
- **Teacher Recommendation**
Teachers will make recommendations for students who should be able to participate in the Credit Recovery Program. Their recommendations will be based on student performance and skill level (assessment data and class work) as well as behavior and attendance.

Students who fail to complete the Credit Recovery Program will be removed from extra curricular activities and lose privileges. Extenuating circumstances will result in a hearing with the Academy Administrator. Examples of revoked privileges include but are not limited to:

- Graduation Ceremony
- Trips (including Senior trip)
- Extra Curricular Activities
- Prom/School Dances
- Awards Ceremonies

Tardiness

Tardiness shall be defined as not being in an assigned seat or at an assigned station by the time the bell or signal ceases. Lateness due to personal transportation and oversleeping are not considered excused tardiness.

Excused Tardies shall be defined as a tardy occurring with the approval of an Academy Administrator. Examples include, but are not limited to, activities such as personal illness, death in the family, school sponsored educational activity, and external activity sanctioned or approved by the Academy Administrator such as medical appointments, family emergencies, or court appearances.

- School begins at 7:55 a.m. The initial bell will ring at 7:45 to alert students that they may go to their locker. All students must be seated in their period A class by 7:55 a.m.
- Regular attendance is vital to your success in the high school. Every effort must be made to arrive on time for school. Continued tardiness will require a conference with the Guidance Counselor and/or Attendance Officer. Further disciplinary action will be taken if the tardiness continues after the conference. The action may include but is not limited to suspension from all extra curricular activities.
- Students entering after 7:55 must sign in at the post in the designated area. Failure to sign in will result in an unexcused absence from the class.
- Students arriving later than 8:30 am must enter through the main office and sign in at the front desk.
- A note from the parent with an acceptable excuse shall be submitted to the Academy Office for approval in the case of an excused tardy.

Consequences

Tardy to class (less than 47 minutes to a 98 minute class/23 minutes to a 47 minute class):

- First and second tardies will result in a teacher detention to be served within 24 hours.
- Three or more tardies will result in an extended detention to be served each time there after within 24 hours.
- Students who are tardy to class must serve the detention prior to participating in any extra curricular or athletic activity.
- Failure to comply will result in suspension from all extra curricular activities and loss of Senior privileges as determined by the Academy Administrator.

Tardy to class (more than 47 minutes/23 minutes)

- Each time a student is tardy greater than 47 minutes to a block class that student will receive a half absence.
- Each time a student is tardy greater than 23 minutes to a skinny class that student will receive a half absence.
- Two half absences (As explained in the two previous bullets) will equal one absence.

Student Conduct

Student Code of Conduct

As a Long Branch High School student, I will:

1. Accept responsibility for my own actions.
2. Respect the rights and property of others.
3. Be courteous in my dealings with others and contribute to an atmosphere that generates mutual respect, dignity and honesty.
4. Attend school on a regular and punctual basis.
5. Attend all of my classes on time daily with all required books, notebooks, pens, pencils and/or gym clothing in my possession.
6. Make every effort to do my best work in all of my classes.
7. Maintain high standards of personal cleanliness.

8. Accept responsibility for personal property and all school-issued books and materials.
9. Make every effort to complete all of my assignments – class work, homework or make-up work.
10. Obey all school regulations and also obey those persons entrusted with the authority of upholding these regulations.

Respect for Teachers and Authority

Respect is earned. Students are expected to respect ALL persons in authority in the High School just as they will be respected. Students who are disrespectful and insubordinate will be disciplined.

Hall Rules

1. Always keep to the right; use the right-hand door at stairways. Walk quietly and do not congregate in the halls.
 2. Four minutes are allowed for travel between classes.
 3. Each student is requested to enter his classroom promptly so that there will be no congestion at the door.
 4. School issued hall passes are required, in advance, from one of your subject matter teachers anytime you wish to leave your assigned area (class, library, cafeteria, etc)
 5. Students must stay on their own floor unless their class is going to or coming from a class on another floor.
- Any student in violation of the hall rules will be referred to their Academy Administrator for a consequence. Frequent violators will need to be escorted by a corridor aide when leaving the classroom.

Bathroom Rules

No student may be excused from class to use the lavatory during the FIRST and LAST TEN (10) MINUTES OF CLASS unless a doctor's note is on file with the school nurse. If going to the lavatory, a student must obtain a pass from his/her teacher. The time limit is four (4) minutes unless an emergency exists. If he/she spends a greater time than this out of the room, he/she must make up the lost time.

Assemblies

Proper behavior is necessary during assemblies. The following rules will be enforced by teachers before, during and after an assembly.

1. Students are to remain with their teachers to, during and from the assembly.
2. Upon entering the auditorium students are to be seated with their teacher/class.
3. During the assembly students are to:
 - o Students should listen actively to the guest speaker/presenter
 - o Refrain from unnecessary talking, noise or horseplay
 - o Refrain from using electronic devices (i.e. recording devices)
4. Students should follow all directions given by staff
5. Upon conclusion of the assembly, classes will be dismissed by sections. Students are to:
 - o Leave in an orderly fashion with their teacher.
 - o Abide by 'hall rules' when dismissing and report back to class.
6. Any student that does not report back to class will be marked absent and will warrant a discipline referral.

Cafeteria

The following are some suggestions that will help students speed the service and maintain a comfortable place to eat.

1. Students are to clean up after themselves when they are finished. Place milk containers, paper, and trays in their proper receptacles. If students drop something, they are to ask for a broom and dustpan in the kitchen to sweep up the food and broken particles.
2. Food is not allowed to be taken out of the cafeteria. **Food or beverages may not be consumed in classrooms or corridors.**
3. All students must use trays when purchasing school lunch.
4. Students are not permitted to sell food or drinks on school property unless for an extra curricular activity at an approved time and location.
5. Students are not to bring in plates or trays of food to hand out in the cafeteria for celebrations
6. Balloons are not to be brought into the cafeteria for any reason.
7. **Outside food from businesses cannot be brought into the cafeteria; it can not be ordered from school, delivered to school grounds or consumed on school property. This includes visitors bringing in food or coming in late with food.**
8. Tables may not be moved by the students.
9. Only Seniors will be permitted to use the Senior Cafeteria during the school day. Any underclassmen in the Senior Cafeteria will be placed in in-school suspension for the remainder of the day.
10. The Senior Cafeteria is a privilege and can be taken away for poor conduct.
11. Any student on the wrong lunch shift will be placed in in-school suspension for the remainder of the day.
12. Students are not allowed off of school grounds during lunch periods and must stay in the designated areas unless they have a pass to visit a teacher.
13. Students must bring in a signed pass to leave the cafeteria in order to see a teacher.

Failure to follow these procedures may result in the loss of cafeteria privileges.

FOOD OR BEVERAGES, EXCLUDING WATER, MAY NOT BE CONSUMED IN CORRIDORS OR CLASSROOMS.

Student Rights & Responsibility

1. The Right to a Free and Full Education

- You have the right to a free and full education through secondary school in New Jersey between the ages of 5 and 20 unless you graduate before that age.
- You are required by law to regularly attend an approved educational institution until you are 16.
- Married students share these rights and responsibilities, including the opportunity to participate in all activities offered by the school.
- Local districts may determine policies for providing pregnant students with an educational program to meet their special needs.

2. Locker Searches

- Under the Constitution, all persons are protected from unreasonable searches and seizures; however, this does not mean that you are legally protected from search and seizure of any material in your locker, which is school property.

3. Buttons and Armbands

- You may wear or display buttons, armbands, flags, decals or other badges of symbolic expression unless the manner of expression "materially and substantially interferes with" the orderly process of the school and the rights of others.

4. School Rules and Regulations

- You have the right and a responsibility to live by the rule of law and to equal protection under that law, in school as in the larger society.
- It is your responsibility to obey school regulations and the school authorities who enforces them. This responsibility extends to your conduct to

and from school as well as in the building itself.

5. Flag Salute and Pledge of Allegiance

- New Jersey law requires you to show respect for the flag of the United States of America. If you are conscientiously opposed to the pledge or salute, you may abstain from these ceremonies.
- The Long Branch Board of Education requires a parental note regarding a student's religious or conscientious objection to saluting the flag.

6. Corporal Punishment

- You are protected from corporal punishment by school employees, except under these four (4) conditions:
 - a) To quell a disturbance
 - b) To obtain possession of weapons or other dangerous objects
 - c) For the purpose of self-defense
 - d) For the protection of persons and property

7. Police in the School- Police can enter schools:

- a) If they are invited on the premises by a school official; they suspect a crime has been committed; they have a warrant for arrest or search.
- b) If a student is to be questioned by the police, it is the responsibility of the school administration to see that interrogations take place privately in the office of a school official and in the presence of the Principal or his representative and that every effort is made to give the parent the opportunity to be present.
- c) Students need not answer any questions which require you to give more than your name, age, address and your business at school until your parent/guardian and/or lawyer are present.
- d) You have the right to be informed of your legal rights, to be protected from coercion and to remain silent.

STUDENT DISCIPLINE

Expectations for Student Behavior

1. Students are expected to respect the rights of all students to be in an environment free from physical and verbal abuse.
2. Students are expected to respect authority and comply with directions from adults in the building.
3. Students are expected to act and dress in a manner appropriate for work and study in a school setting.
4. Students are expected to conduct themselves with the highest standards of honesty and integrity and adhere to the public laws.
5. Students are expected to attend school every day and be in every class.
6. Students are expected to care for their property and the property of others.

Causes for Suspension or Expulsion

Conduct that shall constitute good cause for suspension or expulsion of a pupil guilty of such conduct shall include, but not be limited to, any of the following:

1. Continued and willful disobedience (failure to comply with school rules).
2. Open defiance of the authority of any teacher or person having authority over him.
3. Conduct of such character as to constitute continuing danger to the physical well-being of other pupils or school personnel.
4. Taking, or attempting to take, personal property or money from another pupil, or from his presence, by means of force or fear.
5. Willfully causing or attempting to cause damage to school property.
6. Participation in an unauthorized occupancy or by any group of pupils or others of any part of any school or other building owned by any school district, and failure to leave such school or other facility promptly after having been directed to do so by the Academy Administrator or other person then in charge of such building or facility -18A:37-2.
7. Fighting in or around the school building or on school grounds will result in loss of privileges.
8. Gambling (playing dice) in or around the school building or on school grounds.
9. Visiting another school during school hours without written permission from authorities of that school.
10. Possession, selling, using, dispensing alcoholic beverages, narcotics, legend drugs, marijuana or any other controlled dangerous substance as defined by the laws of the State of New Jersey in the school building or on school grounds.
11. Disrupting or inciting to disrupt the educational atmosphere of the school.
12. Threatening or harassing another student or any school personnel.
13. Carrying an item that might reasonably be construed as a device that could cause bodily harm to another person or persons.
14. Assaulting a pupil, teacher or any person employed by the Board of Education.
15. Severe or chronic repetition of offenses, i.e., truancy, repeated tardiness, repeated class cutting.
16. Initiating a false alarm and/or a bomb threat.
17. **Being on Middle School grounds without permission before, during or after school.**
18. Improper behavior in In-School Suspension.
19. More than two assignments to In-School Suspension or failure to report to an assigned In-School Suspension.
20. Any violation of law.

Any student who refuses to attend in-school will be sent home until a parent/guardian conference can take place.

Disabled Students

Classified students are subject to the same disciplinary procedures as non-disabled students and will be disciplined in accordance with their IEP. However, before disciplining a classified students, it must be determined that a) The student' behavior is not primarily caused by his/her educational disability; b) The program that is being provided meets the student's needs. Staff shall comply with State and federal regulation of the New Jersey Administrative Code in dealing with discipline and/or suspension of all students with disabilities.

In-School Suspension Program

The In-School Suspension Program (ISS) is a self-contained classroom with a full-time certified teacher. Students are assigned to ISS when an Academy Administrator finds they have broken a school rule. When assigned to ISS, students are restricted from interacting with other students during the length of the ISS assignment. The student is expected to take advantage of this opportunity to complete all work assigned by his/her classroom teacher and to make up any missed classroom assignments. Once all assignments are completed, any extra time must be spent in quiet, independent reading. Any student who does not cooperate will be referred to an Administrator for appropriate action.

In-School Suspension Rules

1. ISS hours will be 7:55 am – 3:20 pm.
2. Any student arriving late will make up the time at the end of the school day.
3. Students must bring all books and materials needed for the entire day. Students must complete their assignments by the end of the day. Completed assignments will be given to the academy administrator.
4. Students must go to their lockers before 7:55 a.m. If you have to go to your locker after 7:55 am, the time spent outside ISS will be considered as one

- of your lavatory privileges.
- ISS students may either bring lunch or receive a brown bag lunch from the cafeteria. No student will be permitted in the cafeteria at any time during their stay in ISS.

Out-of-School Suspension

Willful refusal to accomplish school tasks, insubordination, and disorderly, violent, illegal or inappropriate conduct are causes for out-of-school suspension. The length of the suspension will be determined by school authorities and will reflect the offense committed. Parents/guardians will be notified in writing and/or by phone of the action taken. Parents/guardians will have complete custody and jurisdiction of their child during the suspension period. A suspended student may not loiter or appear on school property and will not be allowed to attend any school-sponsored activity during the suspension period.

Central, Extended and Saturday Detention

Central detention will be held for all grades from 2:55 p.m. until 3:25 p.m. on Monday through Friday. There will also be extended detention from 2:55 p.m. until 3:55 p.m. everyday except Friday. Saturday detention will be held every Saturday morning from 8:00 a.m. until 12:00 p.m. These detentions will be primarily, but not exclusively, assigned to remediate attendance-related problems such as tardiness, class cutting, etc.

Alcohol, Narcotics and Steroids

The Long Branch Board of Education recognizes that misuse of drugs, alcohol or any other controlled substance, including steroids, by any pupil, seriously impedes that pupil's education and threatens the welfare of the entire school community. The Board is committed to the prevention of drug abuse and alcohol abuse and the rehabilitation of drug users by educational means. In addition, the Board will take all necessary and appropriate steps to protect the school community from harm and exposure to unlawful substances. State statute, as well as Board of Education Policy #5131.6 requires students to be immediately taken to a physician for a drug and/or alcohol screening.

Improper Student Activities

The following improper activities, while basically individually harmful, will result in disciplinary action:

- Smoking in or around the school building or on school grounds.
- Marking, defacing or destroying school property.
- Leaving school grounds during regular school hours unless the proper sign-out procedures are followed.
- Using profanity or obscene language and/or gestures.
- Unexcused absence/Class cutting.
- Failure to sign in when tardy to school.
- Cutting Central Detention.
- Chronic tardiness to school or class.
- Violation of the dress code.
- Plagiarism
- Cheating on schoolwork
- Use of electronic devices

Penalties for Improper Student Behavior

Following an investigation by the Academy Administrator, the penalties and procedures listed below may include but are not limited to:

- Detention/conference
- Suspension – in-school or out-of-school
- Juvenile complaint
- Placed on academic and social probation
- High School discipline contract
- Intermediate Panel Hearing
- Expulsion Hearing
- Expulsion

Please note that parental contact and scheduled parent meetings will take place as part of the investigation.

Forfeit of Student Privileges

Any student involved in serious or chronic discipline infractions or attendance violations may forfeit student privileges included but not limited to: extracurricular activities, Senior Award Assembly, Junior and Senior Proms, graduation ceremonies, dances, trips, assemblies, etc.

Smoking and Tobacco

Smoking or the use of tobacco is not allowed on the grounds or in the building of Long Branch High School. Anyone in possession of cigarettes, chewing tobacco, lighters, matches or smoking devices will have those items confiscated. Use or possession of tobacco or smoking paraphernalia: Students found in the act of smoking, holding, possessing, using or disposing of a cigarette, tobacco products or related objects (including lighters and matches) and related activities on school grounds will be subject to consequences.

Students who are suspended are not eligible to participate in any extra-curricular activities during their suspension as determined by the Academy Administrator. This includes In-School Suspension (ISS), Out-of-School Suspension (OSS) and Regional In-School Suspension (RISS).

DISCIPLINARY ACTION

- Type 1** - Infractions against good order, property and the necessary conditions for the health and safety of students or school personnel.
- Type 2** - Infractions against the person or any serious act as identified under Title 18A: 37-2 (et. seq.) or violation of NJDOE Reportable Offenses under Violence, Vandalism, Weapons and Drug Abuse Laws.

- 1st Offense – Seven to ten days OSS and parent conference to return to regular school program, referred to Administrator.
- 2nd Offense – Ten days OSS with parent conference to return to regular school program and discipline contract.
- 3rd Offense- Expulsion hearing

*The Administrator will consider the severity of the offense when assigning consequences.

Harassment/Hazing, Intimidation or Bullying

The Board of Education, in accordance with the Anti Bullying Bill of Rights Act of 2011, prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

"Harassment, intimidation, or bullying" means any gesture, any written, verbal, or physical act, or any electronic communication, as defined in N.J.S.A 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical, or sensory disability; or
2. By any other distinguishing characteristic; and that
3. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A 18A:37-15.3, that substantially disrupts or interferes with the orderly operation of the school or the rights of other pupils; and that
4. A reasonable person should know, under circumstances, that the act(s) will have the effect of physically or emotionally harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
5. Has the effect of insulting or demeaning any pupil or group of pupils; or
6. Creates a hostile educational environment for the pupil by interfering with a pupil's education or by severely or pervasively causing physical or emotional harm to the pupil.

Each incident will be handled individually per Long Branch Board of Education Policy.

To view the Long Branch Public Schools Anti Bullying Policy in its entirety, please visit the district website @ <http://www.longbranch.k12.nj.us>.

- 1st Offense – One to three days ISS contact parent; refer to Administrator.
- 2nd Offense – One to five days OSS, parent contact, refer to Administrator.
- 3rd Offense – Five to nine days OSS, parent contact, refer to Administrator.

Sexual Harassment – Long Branch Public Schools will not tolerate any form of sexual harassment. Any student who engages in sexual harassment of another student or school employee will be subject to suspension from school, a parental conference, and may have criminal charges filed against him/her on behalf of the offended student(s) or school employee. Examples of student sexual harassment include but are not limited to such acts as remarks or sexual graffiti, sexual jokes and catcalls of sexual nature, or acts of physical abuse. Each incident will be handled individually per Long Branch Board of Education Policy.

Threats/Menace - Students who threaten a student, teacher, administrator, board of education member or other school district employee with harm, death, or causes the person to fear for his safety shall be disciplined as follows:

- 1st Offense – Three to five days OSS, parent conference to return school, possible complaint signed, refer to Administrator.

- 2nd Offense – Five to ten days OSS, parent conference, complaint signed, refer to Administrator.
- 3rd Offense – Ten days OSS, possible hearing before Superintendent of Schools, refer to Administrator.

Bias Incident/Crime - Engaging in biased conduct that either directly or indirectly causes intimidation, harassment or physical harm to another member of the school community or disrupts the educational process.

- Suspension up to 10 days pending Principal Hearing/Expulsion Hearing/police intervention.

APPEAL PROCESS

Students and parents or guardians are granted the right to appeal or make their concerns known and have them considered and disposed of fairly by using the regular chain of command within the school in the following order:

- The student or parent may schedule a conference with the person or persons with the appropriate Academy Principal.
- If this does not result in a satisfactory resolution, the parent or guardian or student may file a written appeal with the Lead Principal.
 - The appeal must be filed within five school days. Failure to submit an appeal within the five days shall constitute acceptance of the decision at the first level of the appeal.
 - After receiving the written appeal, the principal will review the matter and conference with all involved parties. The principal will then render a fair decision based on all the information presented.
- If this does not result in a satisfactory resolution, the Lead Principal will refer the matter to the next step in the appeal process.

A written summary, including final disposition and decisions, shall be maintained at each level of the appeal process and forwarded to:

- The student's file.
- The next step of the appeal process.

Note: The board of education and the administration recognize that it is impossible to develop regulations for every situation that requires discipline. For this reason, the board of education authorizes the principal and his designee to use appropriate measures to manage any situation not specifically identified in this handbook or in the board of education policy. The principal, administrators, and staff will exercise a fairness and sound judgment when dealing with these types of situations.

The administration reserves the right to assign discipline for any situation not specifically covered in this handbook. In addition, the administration also reserves the right to make modifications to existing circumstances when it deems those modifications are appropriate. ALL SUSPENSIONS OF TEN DAYS OR LESS CANNOT BE APPEALED BEYOND THE BUILDING PRINCIPAL WHOSE DECISION IS FINAL.

Grievances

Student grievances generally involve one of three categories: *academic matters; disciplinary action; and student social, physical or operational conditions.*

1. **ACADEMIC**

If a student (or a group of students) feels he/she is not being treated fairly with respect to academic matters, such as scheduling, examinations, marks, etc., and if he/she cannot resolve the questions himself with the faculty member involved, he/she may ask his/her parents to come to school to attempt to resolve the matter.

2. **DISCIPLINARY**

If a student feels that disciplinary action applied to him/her is unfair, he/she may file a written request with the Academy Administrator, requesting a review of the action.

3. **SOCIAL, PHYSICAL OR OPERATIONAL**

If a student (or group of students) feels that a particular social, physical or operational condition in the school should be modified or provided, he/she may contact the Student Council in one of the following ways: through his representative to the Student Council through the high school Academy Administrator.

A time interval shall be applied to each step in this procedure. At the high school, a time limit of 5 school days will be applied to each step in this procedure. At higher levels, appropriate time intervals shall be applied to each step in this procedure.

All grievances or appeals related to school matters (i.e. discipline, academics, attendance records) must be handled in the following order:

1. Academy Administrator
2. Lead Principal
3. Assistant Superintendent of Schools
4. Superintendent of Schools

GUIDANCE

Students are assigned a guidance counselor when they enter high school. The counselor will assist with future plans, career information, study habits, and academic or personal problems. Regularly scheduled interviews and conferences will be held each year to plan course selections for the coming year and to provide the opportunity to discuss advanced education, career interests, test score interpretation and other topics of interest.

Student Concerns

Interviews concerning any problems may be arranged at your request by completing a form stating the nature of the problem or concern and placing it in your counselor's mail box inside the Guidance Office. You will be notified of a date for a conference within a reasonable period of time. You may also use the services provided by the School Based Youth Services Program.

College/Vocational School Catalogs

A complete collection of catalogs and videos for vocational schools and colleges is maintained in the Guidance Office and the high school library's "College Corner". A large file of vocational information is available for reference use.

Financial Aid

For those students considering college and needing financial aid information, applications are available in the Guidance Office. Parent workshops for completing application forms are held during the year. Please call the Guidance Department to request financial aid information and applications.

Student Information

Bulletin boards in the Guidance Office and in the corridor outside display information concerning careers, job opportunities, scholarships, summer study programs, colleges and other pertinent information. Representatives of schools of advanced education and of various careers visit the school to talk with the students. It is the responsibility of the students to make use of this information and take advantage of the opportunity to talk with the visitor.

College Plans

For the student who is considering college, certain demands are placed upon you. Since admission is on a selective basis, the student must be certain that he/she is qualified in terms of the quality and quantity of course work. The student should successfully complete a minimum of 16 units in the area of English, Mathematics, Social Studies, World Languages and Science. Obviously, the more competitive the college, the more extensive the requirements are.

College Entrance Examinations

Here are some planning hints regarding taking various college entrance tests: College-bound juniors should take the SAT once in the spring of your junior year and once in the fall of your Senior year. (You can register online at www.collegeboard.com). We recommend the Review for College Boards class, the SAT prep on Naviance or SAT Prep course offered by the high school as great preparation next year. Some colleges require that students take the SAT II. These are subject area tests. Many highly competitive colleges require these tests. However, they may be specific about which tests to take, so do your research with your counselor and/or online at your college's website. Students who wish to consider top schools will need to look up admissions requirements for each school to determine which tests are needed.

Students who do not do well on the SAT or who prefer a content-oriented college entrance test may want to consider the ACT. The test is curriculum-based and includes Science and Social Studies sections so if you are strong in these areas, consider taking the ACT.

Any student who plans on applying to a college as an "early decision" candidate needs to be sure to complete all testing before the early decision deadline.

Changing or Dropping Courses

Students may not drop or change a course unless an exceptional situation exists. An exceptional condition will be determined by the counselor but must be initiated by a note from the parent of the student to the counselor. After consideration of the note and other pertinent educational factors, a decision will be made by the Academy Administrator.

Please note: No schedule changes will be granted after the first two weeks of school.

Home Instruction

Home instruction is provided when a student shall be absent from school for an extended period of time because of illness, injury or other reasons. Request for home instruction should be made through the Guidance Office and will then be submitted for administrative approval. Medical documentation is necessary.

Course Failures

Should a student fail a required subject(s), it is the student's responsibility to discuss the failure with his/her guidance counselor and select one of the following options:

1. Repeat the subject(s)
2. Attend summer school (pending school offerings and administrative approval)

Cooperative Education Programs

Cooperative Education Programs offer juniors and Seniors the opportunity to earn salaries in private industry while gaining training in special skills areas. A student may apply through his/her guidance counselor. Student attendance, attitude and academics are important considerations in the selection process.

Working Papers

Pupils under eighteen years old must obtain working papers if they wish to work after school hours, on weekends or on vacation. Applications for working papers may be obtained from the Main Office before and after school on any day school is in session and between 9:00 a.m. and 2:30 p.m. during the summer. Completed applications are to be returned to the Main Office for processing. Students receiving working papers for the first time must show their birth certificate and provide proof of a physical examination.

Job Placement

All requests for student workers are coordinated through the Guidance Department. Any student may register for placement service in order to be kept informed of current job opportunities. Career counseling, testing and career information and materials are also available to students through the Guidance Department and the high school library. Students are assisted in their search for after-school and summer employment. Special emphasis is placed on seeking full-time schooling. In addition, a working relationship is maintained with the armed services for those students seeking a career in the military.

Pupil Personnel Services

The Long Branch Public Schools provide a broad range of individualized programs for educationally handicapped students. Special Education classes, resource centers, and related services are available at the elementary and secondary levels. Inquiries of admission to these classes or any information regarding the Special Education programs should be made to the office of Pupil Personnel Services, 540 Broadway, Long Branch, NJ, (732) 571-2018. Also, parents are welcome to attend the Special Education Parent Organization, a parent support group that offers program information and provides an opportunity for parents to participate in the planning and provision of Special Educational services.

Student Files

The Child Study Team files for classified students are assembled and located at the Pupil Personnel Office. Copies of IEPs (Individualized Education Plan) are also located in each school's Main Office. The Long Branch School District permits parents, adult students and/or their authorized representatives to inspect and review any student records related to that student which have been collected, maintained or used by the district. In addition, the district will respond within ten (10) days of the parent/adult student's request to inspect and review records and, upon request, the district will provide explanations and interpretations of the records by a certified staff member. The health files, located in the school nurse's office, contain the following information: immunization records, health records, and results of physical examinations.

Withdrawal from School

A student who wishes to withdraw from school before the end of the school year must establish an appointment with his guidance counselor and his parents. If, after the conference, the student, with parental permission, still wishes to withdraw from school, the student must return all books and supplies and pay for any lost or damaged books or any other obligations. A student must complete both semesters of a full-year course in order to receive credit. Board of Education policy requires that requests to leave school to go to work before the closing date will not be honored.

Junior Reserve Officer's Training Corps (JROTC)

JROTC is not a recruitment program for the Air Force. Participation in JROTC incurs no obligation toward military service. Our mission is to build better citizens, not to steer students toward enlistment. The JROTC program is designed to teach high school students the value of citizenship, leadership, service to the community, personal responsibility and a sense of accomplishment, while instilling self-esteem, teamwork and self-discipline. The focus is reflected in its mission statement, "TO MOTIVATE YOUNG PEOPLE TO BE BETTER CITIZENS". This program prepares high school students for responsible leadership roles while making them aware of their rights, responsibilities and privileges as American citizens. The program is a stimulus for promoting

graduation from high school and it provides instruction and rewarding opportunities that will benefit the student and the community.

AMENDMENTS TO THE CONSTITUTION

First Amendment:

There shall be four separate Class Councils:

- Freshman Council.
- Sophomore Council.
- Junior Council.
- Senior Council

Each of these councils must have one representative per homeroom representing their class to attend all class meetings.

Second Amendment:

The Elections and Eligibility Committee shall consist of only Junior and Seniors. Its chairpersons and members shall be chosen by the Council President and the Advisor.

Third Amendment:

No student may run or be appointed to office of any major organization (i.e., National Honor Society, class office or any other major organization unless deemed so by the Academy Administrator) and office of the Student Council.

Fourth Amendment:

If the number of representatives in a class is less than the stated number, a worthy member of the student body who has demonstrated a strong interest in and devoted a significant amount of time and effort to the Council may be appointed to the Council by the President with approval from the Academy Administrator and Advisor. Such a person will be considered a Representative, and if he/she remains in excellent standing, may run for executive office.

SCHOOL ELECTIONS

Responsibility

All school-wide and class elections are the responsibility of and will be conducted by the Student Council.

Campaigning

There will be a one-week period during which students may obtain and complete petitions in order to run for an office. Announcements will be made daily over the public address system notifying students the one-week "sign-up" week. Students will be given one full week to campaign prior to election. The campaigns will culminate in a mandatory assembly the school day of or prior to voting.

Voting and Vote Counting Procedures

Balloting will be done in homeroom. Teachers will send completed ballots to a designated collection point in sealed envelopes that they have initialed. No candidates will be allowed to carry the completed ballots. The counting of ballots will not begin until the formal designated end of the time for balloting. Each candidate or a representative of the candidate will have the right to be present during the counting of the ballots. A faculty member and the members of the election and Eligibility Committee will count the ballots.

Non-Athletic Academic Eligibility

The minimum eligibility requirements for students to participate in non-athletic activities are the same as those established for athletics and will be applied to all extra-curricular activities which meet for at least five (5) hours per week whether involved in competition or not. The eligibility for non-athletic activities includes, but is not limited to:

- The Band Front and Flag Carriers
- The Chess Club
- The Dance Team
- The Forensics Team
- Junior Class Officers
- Senior Class Officers
- Student Council Officers

Academic Priority

Teacher detention, extra-help, or test make-up will take priority over participation in an athletic or non-athletic activity or practice.

ATHLETICS

Academic Eligibility

The New Jersey Interscholastic Athletic Association Rules and Regulations regarding eligibility are mandatory. In addition, the Long Branch School District Board of Education has adopted the following guidelines for students participating in high school athletics.

A student entering the 10th grade will be required to achieve 30 credits in the year prior to participation in the first semester of a school year. A student entering 11th or 12th grades will be required to achieve 27.5 credits in the year prior to participation in the first semester of a school year. To be eligible in the second semester, 11th and 12th student must have achieved 13.75 credits.

A student in his/her first semester of 9th grade student will automatically be eligible for fall sports. In order to be eligible in the second semester, all 9th and 10th grade students must achieve 15 credits for participation in spring activities.

These academic requirements will apply to all cheerleaders, student managers, student trainers, and athletes. Additional information regarding eligibility can be obtained upon request from the building principal or athletic administrator.

Age Eligibility

A student cannot participate if he/she has reached the age of 19 prior to September 1st of the current school year. A 9th grade student cannot reach the age of 16 prior to September 1st of his/her freshmen year.

Attendance Eligibility

In order for a student to participate in a scheduled athletic event, practice, or school function, he/she must be in school on the day of the event, (no later than period A.) or the last day of school prior to the Saturday event. An excuse from a doctor or prior written approvals from the athletic administrator is the only VALID excuse. Excessive absenteeism, tardiness, and cutting classes will not be tolerated. These offenses justify removal from a team with consent of the building principal or athletic administrator.

Academic Probation

As stated in our parent/student handbook, all students must be passing in all subject areas with a minimum grade average of 77% to fully participate in extracurricular activities.

Students must be in passing status in all subject areas to participate in extra-curricular activities. There are four (4) cut off dates each marking period in which grades are to be updated in each teachers' grade book and each athlete's grades will be viewed to monitor their status. Any student/athlete not meeting the requirements will be placed on academic probation. Students who are placed on academic probation due to possible failure in one or more subjects will be encouraged to attend homework club before or after school to receive help to improve their grades. Student/athletes will have ten (10) school days to bring their grade(s) up to a 77%. If any student/athlete is failing in a subject area after being on academic probation for the ten-day probation period, he/she will be removed from their team.

Athletic Equipment Accountability

Athletic equipment used by student participants must be returned or paid for at the end of the sport season and prior to the issuance of any awards or recognition. Equipment will not be issued and/or physicals will not be given for any upcoming season until all equipment accounts are cleared from the preceding season.

Senior Award Ceremony

In order to participate; students MUST dress appropriately for the ceremony. Appropriate attire is defined as dress slacks/skirt, dress shirts/blouses, and shoes. All attire must meet the following:

- Blouses, shirts, and turtlenecks must cover the stomach and shoulder area completely and cannot be low cut or reveal cleavage.
- Skin-tight or see through shirts, blouses, or turtlenecks are not to be worn.
- Pants are to be worn so that they cover the posterior part of the body or underclothing fully.

- Skin-tight, spandex-styled, cutoffs, swimsuits, see through pants or clothing with holes is not to be worn.
- Dresses, shorts and skirts, as well as slits in these garments, are to be no shorter than two inches above the knee.

Conduct

As an athlete, pride in your school, team and yourself is all part of good sportsmanship. Your pride is reflected in your personal conduct. Student athletes will not violate the rules of common decency with each other. They shall respect the authority of coaches and other school staff and shall conform to request made by them. The athletic playing fields are an extension of the classrooms and all the same rules apply. Be respectful and responsible.

In addition, an athlete's appearance should be a matter of pride, which means cleanliness and neatness in dress and equipment. Student athletes are expected to dress properly when representing their team and school at any athletic or academic function.

Causes for Suspension from Athletic/Extracurricular Teams/Activities

To be eligible, a student must have an acceptable academic, citizenship, and disciplinary record. Gambling, stealing, the use of tobacco (in any form), possession, sale, and use of drugs (including steroids), and/or alcoholic beverages are prohibited and will be disciplined as follows:

- A. A first offense violator shall be suspended from play for a period of at least one-week. This will include all games and practices.
- B. Additional offenses for the same violation listed above will result in his/her dismissal for the remaining part of the season, involving intervention with the director of athletics.
- C. In addition, Board Policies and the Student Handbook, clearly detail all aspects of drug, alcohol, substance use and abuse, including other sanctions.

Suspensions are at the discretion of the coach and the athletic administrator. Violations include, but are not limited to, insubordination, profanity, fighting, unsportsmanlike conduct, unexcused absence from practice, unsatisfactory attitude, and a failure to follow any additional rules and regulations that the coach deems necessary to maintain discipline and facilitate the efficient execution of daily procedures.

Imposed suspensions in excess of one week require consultation with the director of athletics. Parental notification by the coach involved will be required in all cases of suspension.

Discipline referrals and school suspensions are justification for suspension or removal from a team.

Conflicting Activities During Sport Season

Prior to the start of any season, an athlete must realize his/her obligation to the team and refrain from scheduling any conflicting activity during that season. Students who choose to miss practice or games will not be eligible for participation in games/performance.

Injuries

Any athlete who sustains an injury during a school-related athletic activity must report it to his/her coach **IMMEDIATELY**, who in turn will report it to the district athletic trainer. The athletic trainer will then be responsible for providing this information to the school nurse and Athletic Director. If any injury occurs outside of school, it must be reported to the coach prior to the athlete's next practice or game.

Athletic Trainer Visitation

Visitation is permitted during the student-athlete's lunch shift but needs to be scheduled with the Athletic Trainer prior to the appointment.

Transportation to and from Athletic Events

All student-athletes must use School district provided transportation to and from all away Long Branch athletics. No student-athlete is permitted to use personal transportation. Official school transportation will be provided, originating at the school and returning back to the school.
