Estimadas familias en Long Branch,

Las Escuelas Públicas de Long Branch han revisado la poliza de vestir y cuidado personal de los estudiantes. La poliza indica que los estudiantes Pre-escolares hasta el Grado 8 deben de seguir "Uniformidad de vestido". Los estudiantes están requeridos a vestirse usando las siguientes opciones, que se aplica estrictamente:

- * Pantalones, pantalones cortos, o falda de color caqui
- * Camisas de polo, de manga cortas o larga, de color verde oscuro, blanco o gris
- * Excepciones de camisas de polo: Camisas y blusas cuello tortuga de color verde oscuro, blanco o gris
- * Todas las camisas deben llevar puesta el emblema de las Escuelas Publicas de Long Branch

La compra de ropa puede hacerse en la tienda de su gusto. El distrito no tiene una tienda privada para la compra de ropa. Algunas tiendas locales que venden los artículos de ropa mencionados son:

- *Target*
- *Walmart*
- *Kohls*
- *Kmart*
- *JC Penney*
- *Old Navy*
- *GAP*

Con su cooperación, la extensión de la "Uniformidad de Vestir" del Distrito para el año escolar tendrá gran éxito. Esperamos un año escolar maravilloso con muchas oportunidades de aprendizaje seguras y emocionantes.

Atentamente,

- The Immunization record must be attached for the form to be valid.
- "Date next immunization is due" is optional but helps child care providers to assure that children in their care are up-to-date with immunizations.

3. **Medical Conditions** - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.

- a. Note any significant medical conditions or major surgical history. **If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow.** A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15.dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.
- b. **Medications** - List any ongoing medications. Include any medications given at home if they might impact the child's health while in child care (seizure, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term antibiotics such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.

PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

Please be specific about what over-the-counter (OTC) medications you recommend, and include information for the parent and child care provider as to dosage, route, frequency, and possible side effects. Many child care providers may require separate permissions slips for prescription and OTC medications.

c. **Limitations to physical activity** - Please be as specific as possible and include dates of limitation as appropriate. Any limitation to field trips should be noted. Note any special considerations such as avoiding sun exposure or exposure to allergens. Potential severe reaction to insect stings should be noted. d. **Special Equipment** - Enter if the child wears glasses, orthodontic devices, orthotics, or other special equipment. Children with complex equipment needs should have a care plan.

Pediatric asthma action plans can be obtained from The Pediatric Asthma Coalition of New Jersey at www.pacnj.org or by phone at 908-687-9340.

f. **Special Diets** - Any special diet and/or supplements that are medically indicated should be included. Exclusive breastfeeding should be noted.

g. **Behavioral/Mental Health issues** - Please note any significant behavioral problems or mental health diagnoses such as autism, breath holding, or ADHD.

h. **Emergency Plans** - May require a special care plan if interventions are complex. Be specific about signs and symptoms to watch for. Use simple language and avoid the use of complex medical terms.

4. **Screening** - This section is required for school, WIC, Head Start, child care settings, and some other programs.
