Dear Parent or Guardian:

Under Federal Public Law 874, your Board of Education is entitled to funds to assist in the operation and maintenance of our school system. In order for us to make an application for these funds, it is necessary to contact the home of each student and obtain certain information. This must be done once at the beginning of each school year.

We, therefore, request that you review this letter <http://bit.ly/lbps20t1> from Dr. Salvatore and complete the brief questionnaire at the link below and submit it by Wednesday, October 28, 2020. Should you have more than one child in our public school system, please complete one questionnaire for each child.
