Let's Get Cooking...

Strawberry Kale Salad

Kale and Strawberries are known as SUPER FOODS because they are packed with vitamins, minerals and antioxidants. These nutrients have numerous beneficial effects on health including protecting the body against cancer, heart disease and many other diseases.

Ingredients:

- 3 cups fresh kale, chopped
- 1 cup strawberries, thinly sliced
- $\frac{1}{2}$ cup oil
- 3 Tbsp lemon juice
- 1 Tbsp honey
- Salt & Pepper, to taste

Instructions:

- 1.) Wash kale very well and dry. Remove midribs from kale so you are left with the tender leaves.
- 2.) Stack 3 or 4 kale leaves at a time and roll them up tightly lengthwise. Using a very sharp knife, cut across the roll into very thin strips about $\frac{1}{8}$ th inch thick.
- 3.) Add $\frac{1}{4}$ cup oil and massage kale for 2 minutes to break down the fibers and tenderize.
- 4.) Add strawberries.
- 5.) Mix together $\frac{1}{4}$ cup oil, lemon juice, honey, salt & pepper.
- 6.) Add dressing to kale and strawberries and toss to combine.
