Hello Huggies,

Your Summer Assignments are linked and explained below!!

Assignment #1: Articles/Videos- Understanding the Scope of the Course

Summative grade to be submitted by our 2nd class meeting.

- Read / watch this [set of 8 materials](#) then answer the corresponding questions.
 - Read / watch each material completely BEFORE attempting to answer its questions.
 - Answers should not exceed 1 paragraph (~5 sentences).
 - Do not quote heavily, do not write bullet points, and do not write full essays.
 - These aren't questions with answers spelled out word-for-word, you will need to reflect on the materials to answer effectively.
 - Your responses must be printed, stapled, and submitted as a physical copy by our 2nd class*.

Smigtastic advice- Start the first full week of July and pace yourself at 1 per week.

Assignment #2: News- Building Global Awareness

Multiple choice summative administered in September.

- Subscribe to some / all of these [YouTube channels](#) under your Long Branch Google account.
- Read, watch, and/or listen to a wide variety of [news sources](#) 3-4 times a week for about 10 minutes.
- You do NOT need to turn anything in for this assignment.

Smigtastic advice- Take notes on major news stories weekly to use during the summative in September.

Assignment #3: Maps- Studying your World

Summative administered in September.

- Use online resources such as [this one](#) to generally study countries, regions, and physical geography (mountain ranges, major rivers, oceans, etc...).
- You do NOT need to turn anything in for this assignment.

Smigtastic advice- If a place is mentioned in Assignment #1 or #2, look it up (WINK).

Reach out to me with any questions!!

*Late entrants to the class will be given individualized due dates based on the date of entry into the course.
