C-1. STATEMENT TO THE PUBLIC

Mrs. Perez made the following announcement: Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken. All agenda attachments are available for public review.

C-1. STATEMENT TO THE PUBLIC (continued)

Time may be allocated for public comment at this meeting. Each speaker may be allotted a limited time when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. The Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

C-2. OPPORTUNITY TO ADDRESS THE BOARD RELATING TO AGENDA ITEMS

F. SUPERINTENDENTS REPORT

Mrs. Perez announced that Mr. Avery Grant is the recipient of an award from the New Jersey School Boards for his outstanding service. She also stated that Mr. Grant has been appointed to the New Jersey Task Force for At Risk Children.

1. STUDENT COUNCIL PRESIDENT'S REPORT

Santos Astacio Jr. – Good evening Mr. Salvatore, Board of Education members, administration, staff, students and parents. It is my great pleasure to be here delivering this speech to you tonight.

Last week I had the privilege of making a visit to the Gregory School where I spoke with the building principals about the many great things that occur there on a daily basis. The Gregory School is the Metropolis Magnet, with a primary focus being on the skills involved in becoming a viable member of a community. In addition, students are given the opportunity to gain social responsibility and assist others in need throughout the community in various ways.

If you ask some of the Gregory School students what their favorite thing about the Gregory School is, you will get a variety of answers. Some of my favorite responses were; “our pool”, “the fun assemblies we have”, “our field trips”, “my friends”, “math” and “working with my team in the classroom”. The Gregory School is full of students who are happy to be there and excited to learn.

The Gregory School has planned many charitable fundraising events to support the Long Branch Community. For example, the school is currently planning a clothing drive to assist those in need, as well as the “souper bowl” (that’s S-O-U-P-E-R). For the “Souper Bowl” fundraiser, students can wear their favorite jersey as long as they donate a can of soup, which will be collected and dropped off at a local soup kitchen. This is just one of the many ways that Gregory gives back.

The Gregory School makes it a point to recognize the many great things that their students do throughout the year with their Student Recognition Assembly, where awards are given to the students in the areas of Leadership, Academic Achievement and Attendance. Additionally, students are nominated monthly to be recognized as the Student of the Month. These events positively motivate the students to do their best which will ultimately help them grow to be successful in their future.

At this time it is my pleasure to hand the microphone to Ms. Behnken, Principal of the Gregory School.

2. SCHOOL PRESENTATION –

The Gregory School presentation will consist of a downloadable eBook that will be published through iTunes and will highlight the six pillars of character education which are honesty, citizenship, caring, responsibility, respect and fairness; and the thematic monthly themes. After the book is revealed, classes will sing, “Count on Me” by Bruno Mars.

Ayes (9), Nays (0), Absent (0)

1. RESOLUTION ON SCHOOL FUNDING IN THE FY15 NJ STATE BUDGET

That the Board approve the following Resolution:

WHEREAS, the New Jersey School Funding Reform Act of 2008, the State's school aid formula, ensures adequate and equitable school funding for each child on the basis of individual need, regardless of where that child lives; and

WHEREAS, continued underfunding of the New Jersey School Funding Reform Act of 2008 has resulted in cuts to vital educational programs and services in schools throughout the state; and

WHEREAS, the Long Branch Board of Education supports the School Funding Reform Act of 2008 and a clearly designated pathway to full funding of the law in order to provide NJ school children with the resources they need to ensure a successful future and to which they are entitled by law;

NOW THEREFORE BE IT RESOLVED THAT the Long Branch Board of Education strongly urges the New Jersey State Legislature to follow the School Funding Reform Act of 2008 in the FY15 State Budget and provide all New Jersey school children with adequate and equitable school funding. Specifically, the modifications inclusive of average daily attendance have led to extreme reductions in programs, full time faculty and technology integration which impact teaching and learning; and

BE IT FURTHER RESOLVED THAT the Long Branch Board of Education urges the New Jersey State Legislature to make every effort to protect the School Funding Reform Act of 2008 and to vigorously oppose attempts to reduce the equity and adequacy of the SFRA to the detriment of all NJ school children.

G. GENERAL ITEMS (continued)

9. APPROVAL OF SALE OF WEST END SCHOOL (continued)

C. On November 22, 2013, the Board advertised in its official papers a Notice to Potential Bidders to Purchase The West End School Located At 132 West End Avenue, Long Branch, NJ 07740;

D. In response to the advertisement, an offer was received from the Menachem Learning Institute, a New Jersey Non-Profit corporation located at 620 Ocean Avenue, Long Branch, New Jersey ("Menachem"). The offer consisted of a signed Purchase and Sale Agreement ("PSA") between Menachem and the Board, together with the initial deposit of \$50,000.00 as evidenced by an official check dated January 22, 2014 issued by TD Bank, an Affidavit of Non-Collusion and a Bidder's Disclosure Statement;

E. The PSA signed by Menachem is in the form required by the Offer Specifications;

F. The purchase price offered by Menachem is \$3,305,800.00. According to the PSA, an additional \$150,000.00 must be delivered to the Board by Menachem within seven (7) business days in the event the Board accepts the offer of Menachem, for a total deposit of \$200,000.00 to be held in escrow by the attorney for the Board McOmber & McOmber, P.C. in its Attorney Trust Account.

G. The PSA provides for a covenant running with the land which requires the Board to consent to the use of the West End School for a public school, private school or charter school. The Board has already given consent to Menachem to use the West End School for "after-school religious education, as well as pre-school religious education." The Board has also consented to permitting Menachem to "evolve into a full-time religious school, kindergarten through 8th grade." The consent of the Board is limited to Menachem and will not apply to any purchaser, assignee, tenant or lessee from Menachem and only the aforementioned uses will be permitted. Finally, the consent issued by the Board is based on the representation of Menachem that the students attending the Menachem religious school will not come from the public school student population in Long Branch;

H. The closing date is set for July 18, 2014. However, in the event the George L. Catrambone School located on Park Avenue in Elberon is not completed by June 30, 2014, the Board has the option of continuing to use the West End School through November 18, 2014 at a cost of \$5,000.00 per month provided Menachem has already purchased the West End School. Further, in the event Menachem is applying for Application for development from the Long Branch Planning Board or Zoning Board, Menachem may request that the Board extend the closing date through November 18, 2014.

G. GENERAL ITEMS (continued)

9. APPROVAL OF SALE OF WEST END SCHOOL (continued)

I. In all events, Menachem will have the obligation to purchase the West End School provided it obtains a mortgage commitment in the amount of eighty percent (80%) of the purchase price by March 30, 2014. In the event Menachem has not obtained a mortgage commitment from a lender for a mortgage in the aforesaid amount, Menachem may either waive the mortgage contingency and proceed to closing or cancel the PSA and receive the return of its deposit; and

J. The Superintendent of Schools and the School Business Administrator have recommended to the Board that the Board sell the West End School to Menachem in accordance with the terms of the PSA.

NOW THEREFORE, be it resolved by the Board as follows:

1. The Recitals set forth above are incorporated herein by reference.

3000 TEACHING STAFF MEMBERS

Policy & Regulation 3142

Nonrenewal of Non-tenured Teaching Staff Member

Achieve NJ administrative code recodified NJAC 6A:32-4.6 for procedures for appearance of nontenured teaching staff members before a district board of education upon receipt of notice of non-reemployment to NJAC 6a;10-8.1 requiring minor revisions to the policy and regulation guides. The regulation guide has been revised to provide the Superintendent and the Board with two options on how the Superintendent informs the Board regarding the nonrenewal of nontenured teaching staff members. One option is the Superintendent informs the Board with a written notice and reasons for each recommendation not to renew before May 15 and the second provides for the Superintendent to conduct an executive session with the Board prior to May 15 to review the Superintendent's recommendations and reasons for each recommendation. These two options in the regulation provide greater flexibility to the Superintendent and Board.

Policy & Regulation 3144

Certification of Tenure Charges

A new AchieveNJ subchapter, NJAC6A:3-6 – charges under tenure employees' hearing act, requires revision to this policy and regulation. There have been significant changes to administrative code concerning filing tenure charges for inefficiency. NJSA18:6-17.a requires the Superintendent to file tenure charges of inefficiency when a teacher, Principal, Vice Principal, or Assistant Principal receives substandard evaluation ratings in two consecutive years (policy 3144.12). Another significant change involves tenure hearings being conducted in an expedited manner by Arbitrators rather than Administrative Law Judges in the Office of Administrative Law. These statute and code changes have been incorporated in this policy and regulation guides.

Policy & Regulation 3221**Evaluation of Teachers**

The details of the new requirements of TEACHNJ and AchieveNJ for a teacher whose annual evaluation is subject to student growth percentiles and/or student growth objectives are outline in this policy and regulation. The only discretionary issue in this regulation concerns a code provision that requires a teacher on a corrective action plan (Section H.10.a.) to receive an additional observation. The AchieveNJ code indicates the Superintendent may determine the length of this additional observation. It is recommended the additional observation for all teachers with a CAP be the same length of time as determined by the Superintendent. Therefore, in the event the district files tenure charges against a tenured teacher for inefficiency the district can assert all teachers use a CAP received the same length of time for the required additional observation. The policy and regulation guides include all the details and minimum evaluation requirements of TEACHNJ and AchieveNJ for teachers.

Policy & Regulation 3222**Evaluation of Teaching Staff Excluding Teachers and Administrators**

Policy and regulation guides provide the evaluation procedures for teaching staff members excluding teachers, Principals, Vice Principals, Assistant Principals, and other administrators. These teaching staff members identified in this policy and regulation includes educational services staff members, guidance counselors, CST, specialists, school nurses, library/media specialists, occupational therapist, and other teaching staff members working under an educational services certificate. The regulation guide provides the details of the evaluation process. TEACHNJ did not require all the evaluation requirements for this group of teaching staff member, therefore, AchieveNJ administrative code does not have the detailed evolution requirements, however, this policy and regulation aligns the same evaluation process, tenure timelines, and use of SGOs.

Policy & Regulation 3223**Evaluation of Administrators Excluding Principals, Vice Principals and Assistant Principals**

Provides evaluation procedures for administrators, excluding Principals, Vice Principals, and Assistant Principals. These administrator positions include supervisors, directors, or any other administrative position in the district working under an administrative certificate. The regulation guide provides the details of the evaluation process. All the evaluation requirements in TEACHNJ for teachers, Principals, Vice Principals, and Assistant Principals and recommended to use for this group

Policy & Regulation 3224**Evaluation of Principals, Vice Principals and Assistant Principals**

The revisions to this policy and regulation designate the Superintendent or designee as the authorized and appropriately certified member as the evaluation of a Principal, Vice Principal, or Assistant Principal. Regulation is very detailed as to the evaluation requirements.

4000 SUPPORT STAFF

Policy & Regulation 4146

Nonrenewal of Non-tenured Support Staff
Member

AchieveNJ administrative code recodified NJAC6A:32-4.6, procedure for appearance of nontenured teaching staff members before a district board of education upon receipt of a notice on non-reemployment to NJAC6A; 10-8.1. Several minor revisions were made to policy and regulation guides. Nonrenewal procedures outlined in NJSA18:27-4.1 are the same for nontenured teaching (certified) staff and nontenured (non-certified) staff, however, a Commissioner's decision in 2009 held, among other issues, the May 15 date to notify nontenured staff member of their contract renewal for the next school year only applies to nontenured teaching staff members and not support staff. The Commissioner held the contract renewal notification date for a non-teaching (non-certificated) staff member was the timeline in the language of the governing collective bargaining agreement. This policy and regulation guides have been revised indicating the contract renewal date for nontenured support staff members shall be in accordance with the terms of any applicable collective bargaining agreement, individual contract, or any other agreement between the parties"

The regulation provides the Superintendent and Board two options on how the Superintendent informs the Board regarding nontenured support staff members that are not recommended for renewal. One option is the Superintendent information the Board with a written notice and reasons for each recommendation not to renew before May 15 and secondly, the Superintendent to conduct an executive session with board prior to May 15 to review the Superintendent's recommendations and reasons for each recommendation. The two options provide greater flexibility to the Superintendent and the Board.

Policy 4124

Employment Contract

This policy has been revised to remove the provision that indicates a nontenured support staff member's contract will include a probationary employment provision. The revised guide indicates that employment contract may include probationary employment period as most school district do not have a formal probationary employment period (i.e. thirty, sixty, or ninety days) for newly hired staff member. This policy guide contains provisions regarding contract termination, maximum length of contract and other information that should be included in nontenured support staff.

Policy & Regulation 5512

Policy 6113

E-Rate

The Universal Service Schools and Libraries Program, commonly know as “E-rate,” provides discounts of up to ninety percent to assist most schools and libraries in the United States to obtain affordable telecommunication and Internet access. Universal Service Administrative Company (USAC) is responsible for processing application for support, confirming eligibility, and reimbursing telecommunications companies and Internet access providers for discounted services delivered to eligible schools and libraries. USAC reviews applications, invoices, and other program information to ensure applicants and service providers follow rules for the program set by the Federal Communications Commission (FCC). USC also conducts audits to ensure program compliance. This policy outlines the process to be used by school districts.
