**C-1. STATEMENT TO THE PUBLIC**

Mr. Covin made the following announcement: Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

C-1. **STATEMENT TO THE PUBLIC (continued)**

Time may be allocated for public comment at this meeting. Each speaker may be allotted up to three (3) minutes and one (1) opportunity to address the Board when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

2. **STUDENT COUNCIL LIAISON REPORT** – Ivan Navarro, Senior Class Vice President

Ivan Navarro - Good evening Dr. Salvatore, members of the Board of Education, central office administration, faculty, parents and members of the community who are in attendance this evening. This is my monthly report:

Mrs. McCarthy has taken strides in infusing the Gregory Elementary School culture with the values of self accountability, respect and unity. The school itself has a central focus on leadership and all of its different forms, which is based upon this goal of forming “habits of healthy and effective children”. With that being said, students have become more aware of self regulation, problem solving and collaboration. These ideas have been further stressed through the school’s “Leader and Me” assemblies that are held monthly. Children are given a choice to select one of their peers that they feel as though best exemplifies traits of a leader. These important attributes all begin with the idea that “you are in charge of you”.

Furthermore, the Gregory School has also taken pride in their community leaders while focusing on the leaders of right now, rather than the future. By instilling programs that allow children to unlock their inner leader, such as the debate team, step team, safety patrol, and Jacob’s Ladder, which gives volunteer opportunities, these traits of initiative and influence are enhanced from a young age. While advocating for these students’ individual talents and desires, the curriculum also develops discipline, positive expression, and an appreciation for others’ values.

F. **SUPERINTENDENT'S REPORT (continued)**

2. **STUDENT COUNCIL LIAISON REPORT (continued)**

Overall, Gregory Elementary School stands for the beauty that is within diversity and difference. The staff assists in cultivating and growing the thinkers of now and tomorrow. The strong student and faculty bond makes this school a family of its own, holding on to the idea that it is a prideful time to be a student of Long Branch.

3. **SCHOOL PRESENTATION**

In previous years the Gregory school has showcased leaders throughout our Long Branch Community, our school and the world. This year, the Gregory School will showcase our very own student leaders. Our students will showcase several teams and clubs that represent the 7 Habits that constitute our Leadership Magnet. We are proud to present to the Long Branch Community how our students are embracing their opportunity to serve as leaders today and everyday.

The Board took a 3 minute recess, returning at 7:53 P.M.
