**C-1. STATEMENT TO THE PUBLIC**

Mrs. Youngblood Brown made the following announcement: Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

**C-1. STATEMENT TO THE PUBLIC (continued)**

Time may be allocated for public comment at this meeting. Each speaker may be allotted up to three (3) minutes and one (1) opportunity to address the Board when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

**DISCUSSION**

Mr. Zambrano asked Mr. Genovese to explain to the Board the re-imbursement he is receiving as discussed with the Finance Committee.

Mr. Genovese explained that Dr. Salvatore wanted to honor all of the prior Superintendents by having some type of portrait or picture done and hang them in the 3<sup>rd</sup> floor conference room. Additionally, Mr. Rodriguez is honoring students each month by giving a student from each school a \$20 gift card, 10 students each month, through June with the expectation that next year he will be able to have lunch with the children and their parents. Mr. Genovese further stated that in both cases a credit card was required and since the Board of Education is not permitted to have a credit card, he put the charges on his card in order to facilitate the purchase of the portraits as well as the gift cards for the students for a total of a little over \$2,000.

Mr. Zambrano thanked Mr. Rodriguez for having the Mission Statement added to the website.

It was decided by the Board that the May 25<sup>th</sup> meeting will remain at the Historic High School and the May 26<sup>th</sup> meeting will be moved to the Middle School auditorium.

K. **ADJOURNMENT – 6:37 P.M.**

There being no further discussion, motion was made by Mr. Covin, seconded by Ms. McCaskill and carried by roll call vote that the Board adjourn the meeting at 6:37 P.M. Ayes (9), Nays (0), Absent (0)
