Mr. Dangler made the following announcement: Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting.

C-1. STATEMENT TO THE PUBLIC (continued)

1. **PERSONNEL**

a) **RESOLUTIONS** – Release from Suspensions (**APPENDIX E**)

Mr. Salvatore – I am recommending to the Board that we remove Donna Perreira and Lauren Bland from suspension. Institutional Abuse has reviewed the case and they are not going to pursue any further action. It was their feeling that the child was never in danger. The mistake was made with the head count of the children on the bus. Seman Tov is responsible for removing the seat belts of all of the children, insuring that there are no children left on the bus as well as checking to make sure that the same number of students leaving the bus matches the list that our instructional assistants use.

There was discussion by many Board members with respect to the incident. Some Board members felt that the staff members should be terminated.

Mr. Salvatore – Our staff's job description is to check off the students that are on the bus, but it was not their responsibility to insure that every child comes off of the bus. That was the responsibility of Seman Tov. However, I will be looking into making some changes to the current responsibilities to further insure student safety.

Fougere Ferrier, union representative for the American Federation of Teachers, spoke on behalf of the employees. He stated that the instructional assistants have a large responsibility in helping the children get off the bus and into their classes. They have been doing this job for years. This one mistake should not rise to the level of causing their termination.

John Severs, President of the LBFT, also spoke on behalf of the instructional assistants. He asked the Board to consider their past performances and to allow the 2 individual's to return to work

With no further comments or questions from the Board, Mr. Ferrier and Mr. Severs left the room.

The Board took a consensus to remove the 2 instructional assistants from suspension.

Yes – Mr. Dangler, Mrs. Beams, Mrs. George, Mrs. Perez, Mrs. Critelli, Mr. Parnell and Mr. Menkin.

No – Mr. Zambrano

Absent – Mr. Grant

10. **APPROVAL OF McRel TEACHER AND PRINCIPAL EVALUATION TOOL**

I recommend the Board approve the McRel Teacher and Principal Evaluation tool

Mr. Salvatore explained that we are using the McRel teacher and administrative evaluation tool in conjunction with Searchsoft. The evaluations and observations will be on line as an e-portfolio, along with all our district forms that will be electronic and accessed from the same platform.

11. **SBYSP MEDICAL & PSYCHOLOGICAL SUPERVISION CONTRACTUAL SERVICES**

I recommend the Board approve contractual services for the School Based Youth Services Program as follows:

Dr. Richard Reutter, to provide medical supervision to the School Based Youth Services Nurse Practitioner and direct primary care to our students for a total of six hours per week. The cost, \$17,098, paid as a monthly fee of \$1,709.80, will cover the period of September 6, 2012 through June 15, 2013.

Brad Madreperl, LCSW, to provide clinical supervision to the SBYS social work staff for a total of four hours per month. His fee is \$65 per hour, not to exceed \$2,080, to cover the period of October 3, 2012 through June 5, 2013.

12. **APPROVAL OF TIENET MAXIMUS MAINTENANCE SUPPORT AGREEMENT**

I recommend the Board approve the maintenance support agreement between the Long Branch Public Schools and TIENET MAXIMUS for customer support services and maintenance for the special education reporting system. This agreement will be in effect from 9/1/2012 to 11/30/2012, at a cost not to exceed \$3,398.37.

13. **STUDENT ACCIDENT INSURANCE 2012-2013**

I recommend the Board approve The Maksin Group for student accident insurance for the August 1, 2012 through July 31, 2013 at a cost not to exceed \$138,795.

Mr. Salvatore – The student accident insurance premium for this current year was approximately \$116,000 and that exact policy for the 2012-2013 school year would be \$177,000. Other companies quoted \$200,000 for the same coverage. What we have decided to do this year is to accept a plan with the same coverage but introduce a \$500 co-pay. We could consider paying the co-pay and still save money. Last year approximately 27 students accessed the policy, and even if the number went to 40 children and we had to pay for all 40 students co-pays the dollar amount would still be less than the \$177,000 policy.

14. **APPROVAL OF CONTRACTS FOR EDUCATIONAL SERVICES PROVIDED BY THE NEW JERSEY COMMISSION FOR THE BLIND AND VISUALLY IMPAIRED**

I recommend the Board approve the contracts by the New Jersey Commission for the Blind and Visually Impaired to provide educational services for the following students. The services are based upon student assessment, functional vision, educational needs and skill development. The agreements shall be in effect from September 1, 2012 – June 30, 2013. The Commission agrees to provide services as follows:

Level of Service: 1	ID #09500208	\$ 1,700.00
Level of Service: 1	ID #120500035	\$ 1,700.00
Level of Service: 1	ID #09500190	\$ 1,700.00
Level of Service: 3	ID #110650014	\$11,500.00
Level of Service: 3	ID #01001806	\$11,500.00

15. **APPROVAL OF MOESC INSTRUCTIONAL SERVICES AGREEMENT**

I recommend the Board approve the Instructional Services Agreement for IDEA-B Funds for Non-Public School Students with Disabilities. This agreement will be in effect from July 1, 2012 through June 30, 2022.

I recommend the Board authorize **Josette Nogueira**, Pupil Personnel Services Director, to serve as the district's contact person for the above actions.

I further recommend that **Michael Salvatore**, Superintendent of Schools, be designated the Board's representative to implement the above actions.

20. **OPPORTUNITY TO ADDRESS THE BOARD ON NON-AGENDA ITEMS**

DISCUSSION

1. Permission for a student to continue at the High School

Mr. Salvatore discussed with the Board the request he received from a parent to have her child continue her education at Long Branch High School as a senior even though she has recently moved out of district.

DISCUSSION (continued)

2. NCAA Clearinghouse

Mr. Salvatore – A question arose regarding the NCAA Clearinghouse and the process. In order for a student to participate in college sports, you have to be registered with the Clearinghouse. A parent inquired as to whether the High School had registered her child with the NCAA Clearinghouse. The question went to the Athletic Department which was then referred to the Guidance Department and that was done because the Guidance Department handles all of those issues for students. The parent felt that the student may not have been registered in time to participate in sports in college but the Guidance Department sent all of the information by registered mail to the NCAA Clearinghouse.

3. Green and White Booster Club

Mr. Salvatore - Mr. Penta and Mr. Corley met with Debbie Saffioti and Gene Koelhoeffer to discuss the opportunity to bring the booster club back into operation. It was a very well received meeting and the real challenge will be to get under graduate parents involved.

4. West End School Update

Mr. Salvatore – Institutional Abuse has conducted numerous interviews with staff and students and found no truth to the allegations made with respect to the incident discussed last month.

Mrs. Beams – Do you foresee any repercussions with respect to the incident?

Mr. Salvatore – I took a lot of this into consideration with respect to transfers which is why not many people were moved around so as not to inflame the situation any further.

Mrs. Beams – I have heard a lot about this incident and there were similar issues with this individual at a previous school.

Mr. Salvatore – Those allegations were all anonymous.

DISCUSSION ITEMS

Mrs. Perez – Are we going to continue with the “Meet and Greet” meetings prior to the Board meetings?

Mr. Dangler – No, after conversations with Mr. McOmber and Cathy from School Boards, it was recommended that we do not continue that practice.

Mr. Parnell brought up another concern about a parent who created a FaceBook page for concerned Long Branch parents and not thinking anything of it, he allowed his name to be a part of that page.

Mr. Salvatore – This particular individual has about 24 friends on the page, 2 or 3 of which are Board members who were apparently unaware of the situation.

Mr. Parnell requested a list of un-affiliated employees. He also asked Mr. Genovese if there were any additional legal updates with respect to new tort claims, specifically anything from Kevin Garifine.

Mr. Genovese – I haven't received anything to this point.

Mr. Parnell – An individual having a class reunion asked me if I knew where a cement plaque was that used to be at the Elberon School. The person was interested in securing the plaque for their reunion.

Mr. Parnell – Luci Perez, Bill Dangler and I met with Carl Jennings with regard to working with the Recreation Department to promote sports at the Grades 3 -5 level. The meeting was very positive and we should be able to support many of their activities.

21. **ADJOURNMENT – 10:20 P.M.**

There being no further discussion, motion was made by Mr. Parnell, seconded by Mrs. Beams and carried by roll call vote that the Board adjourn the meeting at 10:20 P.M.
