B. FLAG SALUTE AND PLEDGE OF ALLEGIANCE

Michele Critelli, Ed.D., Board of Education President, saluted the flag and led the Pledge of Allegiance.

C-1. STATEMENT TO THE PUBLIC

Dr. Critelli made the following announcement: Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

C-1. STATEMENT TO THE PUBLIC (continued)

Time may be allocated for public comment at this meeting. Each speaker may be allotted a limited time when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

C-2. OPPORTUNITY TO ADDRESS THE BOARD RELATING TO AGENDA ITEMS

Anthony Smith
25 Eastwood Avenue
Long Branch, NJ

Mr. Smith talked about the basketball program that he is involved with and how it truly benefits the children of Long Branch. He also expressed concern about the appointment of the Head Basketball Coach, stating that although experience is important, there is more to coaching than just experience.

Blake Hamilton
555 Edgecombe
New York, NY

Mr. Hamilton stated that he has been building relationships with the students through a very strong basketball program which runs from 6:00 P.M. through 9:00 P.M., Monday through Friday. He stated that the program also provides tutoring to help the community children become successful.

David Allen Brown
449 Norwood Avenue
Long Branch, NJ

Mr. Brown stated that he attended last month's meeting as well as last night's meeting, where there was discussion about diversity with regard to the basketball coach. He stated that it was voted down last month and he was uncertain as to why the previous basketball coach was not being recommended for appointment. He's not sure if it is a disciplinary issue and he hoped that tonight there would be a no vote for the coach being recommended to the Board. He also stated that he hoped the Board did not violate the Sunshine Law regarding this appointment.

Mr. Grant – I’m sorry that I missed the meeting last night. I had asked to table the appointment of the basketball coach. I told Dr. Critelli that she should either take it off the agenda tonight or I may file an ethics charge.

Dr. Critelli – There was a lengthy discussion last night regarding this particular appointment and you should have been at the meeting.

Mr. Covin – Again, I am concerned about the process, it could have been handled differently.
