C-1. STATEMENT TO THE PUBLIC

Mrs. Youngblood Brown made the following announcement: Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

C-1. **STATEMENT TO THE PUBLIC (continued)**

Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

She stated that her concern was that her attorney had reached out to the administration for a hearing for her son and had not received a response. He had addressed the Board in April and had asked them to consider re-naming the Gregory School after his family, the Greenwood and Sims families, stating that the families have resided in Long Branch for over 100 years. Mr. Greenwood felt that for the reasons he shared with the Board at the prior meeting, the Board should honor his request. He stated that he had not received any response.

Mr. Rodriguez explained that in July he did receive a response stating that the Board was going to activate a Facility Naming Committee to address his request along with several others.
