

## **Comprehensive Equity Plan**

The Long Branch School District conducted a comprehensive needs assessment of its equity and equality needs. The Comprehensive Equity Plan is designed to meet these assessed needs. The Board of Education has authorized the submission of the Comprehensive Equity Plan to the New Jersey State Department of Education, and will support full implementation of the plan.

Some highlights of the plan include:

- Staff Professional Development and Training
- School and Classroom Practices
- Equity and Equality in Curriculum
- Equity and Equality in Guidance and Services

You may receive the plan and respond to it by contacting the office of the Affirmative Action Officer at 732-571-2868.
