Harassment/Hazing, Intimidation or Bullying

The Board of Education, in accordance with the Anti Bullying Bill of Rights Act of 2011, prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

"Harassment, intimidation, or bullying" means any gesture, any written, verbal, or physical act, or any electronic communication, as defined in N.J.S.A 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical, or sensory disability; or
2. By any other distinguishing characteristic; and that
3. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A 18A:37-15.3, that substantially disrupts or interferes with the orderly operation of the school or the rights of other pupils; and that
4. A reasonable person should know, under circumstances, that the act(s) will have the effect of physically or emotionally harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
5. Has the effect of insulting or demeaning any pupil or group of pupils; or
6. Creates a hostile educational environment for the pupil by interfering with a pupil's education or by severely or pervasively causing physical or emotional harm to the pupil.

Each incident will be handled individually per Long Branch Board of Education Policy.

Dating Violence at School

The Long Branch Board of Education believes a safe and civil environment in school is necessary for children to learn. A pupil who is a victim of dating violence suffers academically and the pupil's safety at school is jeopardized. Acts or incidents of dating violence at school whether they are verbal, sexual, physical or emotional will not be tolerated and will be dealt with in accordance with the school's pupil code of conduct and The Long Branch Board of Education's Dating Violence at School Policy.

***ENFORCEMENT—
Uniformity Of Dress Policy***

Procedures for student inappropriately dressed are as follows:

1st Offense – Teacher will send home a copy of the Dress Code Reminder Slip.

2nd & 3rd Offense – The school will contact the parent/guardian. Due to safety and security issues, students not conforming to the policy will not be included in field trips, local excursions and possibly outdoor activities.

4th Offense – Principal or designee will meet with parent/guardian regarding the dress code regulations; and if families do not wish to participate, then the alternative of not continuing in the District will be reviewed as well as the loss of privileges due to student safety and school security.

EMERGENCY SCHOOL CLOSINGS

In the event that Long Branch Public Schools are closed or openings are delayed announcements will be made over the following stations: WJLK (1310 AM/ 94.3 FM) and WOMB (1160 AM/ 92.7 FM). Bus schedules are adjusted so that the times of stops are of the same intervals before the 10:00 A.M. start as before the normal time.

BUS REGULATIONS

Transportation and its related activities are an extension of the school building. Student behavior at bus stops and on buses is subject to the same standards as in the school building. Students who choose not to obey school district bus rules/regulations forfeit their right to this service.

It is imperative that you as a parent/guardian bring your child to the bus each morning and receive your child at the bus stop. If you fail to pick up your child he/she will be brought to an after school program and you are subject to pay for after care services.

PARENT PICK UP

Parents and guardians who bring their child/children to school and/or pick them up must do so at the Main Office (unless student is tardy; pg. 8). In the event that an individual other than the parent or guardian is picking up a student he/she must have written permission. For your child's safety he/she will not be released unless arrangements have been made and approved by the building principal.

ATTENDANCE

The Long Branch Board of Education requires that the pupils enrolled in the public schools attend regularly and in accordance with the laws of the state. The curricula implemented in each class is accelerated and requires the students' presence.

Attendance and punctuality shall be required of all students during the days and hours that each school is in session. For the safety of our children, students should not be permitted to arrive at school more than 10 minutes before opening school times. All students who arrive prior to this time will be unsupervised.

ABSENCE

If your child must be absent, please notify the school. You may leave a message on the school's machine at anytime prior to the opening of school. Please leave the following information: child's name, teacher, reason for absence and expected duration.

Doctor, dentist, and other necessary appointments should be made after school hours whenever possible.

TARDY POLICY

Any student who is not in their homeroom at the beginning of instruction, will be marked tardy. All students arriving after that time must go through the front door and report to the **Main Office** to receive a late pass. A consistent late problem will be addressed by the student advisor, truancy officer and if needed the building principal.

STUDENT CONDUCT

The Long Branch Public Schools have set high expectations for student conduct. While raising children in our schools we must establish a clear set of rules to provide structure for our students. We recognize our responsibilities to maintain proper and appropriate behavior in school, we also urge you as parents to support our efforts by discussing the school rules with your child. In an attempt to align the school with the home we encourage you to communicate with your child's teacher throughout the year.
