## Soccer Vocabulary

Name	<del></del>
Date	<del></del>
1	The only player who is allowed to handle the ball within the penalty area, whose special duty is to prevent the ba from going into the goal.
2	A kick from the corner of the field to teammates lined up in front of the goal, awarded to the attacking team when the ball goes over the goal line outside the goal posts and the defending team touched it last.
3	A score made by getting the ball into the goal
4	To move the ball along the field with the feet while maintaining possession
5	To fake an illegal tackle in an attempt to gain a free kick from the referee
6	Hitting the ball with your head
7	A free kick directly from the penalty spot in front of the goal with only the goalkeeper defending
8	A violation where a player other than the goalkeeper touches the ball with the hands during play or the goalkeeper handles the ball outside the penalty area
9	To try to take possession of the ball from another player
10	A violation where a player is closer to the other team's goal line than any defenders except the goalkeeper wher receiving a pass

#### **Soccer Rules**

List and describe 10 rules for Soccer. Include the number of players per side, offside rules, free kick rules and rules for substitution.
