

## Part Two: Introduction to Occupations

|    |                       |
|----|-----------------------|
|    | Total Points Earned   |
| 15 | Total Points Possible |
|    | Percentage            |

Name \_\_\_\_\_

Date \_\_\_\_\_

Class \_\_\_\_\_

**Directions:** Select three occupations and for each occupation use a valid resource to find the answers to the questions below.

| Occupation | What is a summary of duties? | Do you believe your well-being would be positively impacted? Why or why not. | What is the median annual wage? | What continuing education/training is required? |
|------------|------------------------------|--|---------------------------------|---|
|            |                              |  |                                 |   |
|            |                              |  |                                 |   |
|            |                              |  |                                 |   |
