The campers had a great visit to PetSmart in West Long branch. When we got there, we were able to feed the fish. After we fed the fish we walked over to the grooming salon. We learned all about what it means to groom a dog. We compared grooming dogs to taking baths and showers at home! After the grooming salon we walked over to see the bearded dragons and the birds. Miss Meagan at PetSmart even let us name some of the animals. We walk to the back of the store where Miss Teresa had set up all different animals for us to see up close and personal. We saw a guinea pig, hamster, lizard, fish, crabs, and a bird. Those who wanted to even got to pet the animals. Before we left we got to go back to the fish and give them a “fish cookie”.

PetSmart gave us a little goodie bags to take home. We had so much fun!!

On Monday we walked to Amy’s Omelet House! We discussed being safe while walking outside and why it is important to hold a grown-ups hand! When we got to the restaurant we used our walking feet and restaurant voices to walk through the restaurant to our table that Amy’s had set up for us! We ate pancakes, chicken fingers, and French fries! Everyone in the restaurant commented about how good we were being! Thank you Amy’s!
This week Ms. Corcoran’s class visited Petsmart in Eatontown. We were treated to a tour of the store by Ingrid and Theresa. Students learned about different animals, their habitats and what they need to survive. Some of us were brave enough to even hold the animals!

STUDENT SPOTLIGHT

Our Student of the Month is Jah’era!

Jah’era is a caring and valued member of our class. Jah’era is always quick to provide assistance to others from staff members to fellow students.

Well Done Jah’era!
A Beautiful Day at the Beach

As our third week drew to a close, the students from the Middle School Extended School Year Program made their weekly trip to the beach. After missing last week due to the extreme heat, the students were excited to be at the beach. Our students enjoyed going in the water, and playing in the surf. The day was perfect. Temperatures were mild, and the ocean was warm.

On Wednesday, our students participated in several backyard games including Giant Jenga, Giant Connect 4, Corn Hole, and slip n slide in the courtyard of LBHS. These backyard games allow our students to refine their critical thinking skills, and work on peer relationship building.

Also on Wednesday, the Beat Bus made a stop at LBHS. Our students enjoyed learning about constructing music using computers.

STUDENT SPOTLIGHT

The student spotlight this week shines on Nigel Acevedo. Nigel is going into 8th grade at LBMS. Nigel is an outgoing person, and shares his thoughts on a wide range of topics.
The Long Branch High School students got to experience the Lake House Beat Bus. Mr. Ryan introduced Garage Band, a popular app on the Apple iPad. The students were fascinated how they could create their own beats by incorporated different musical instruments. Bryan Chevez exclaimed, “This was the most amazing experience with music I’ve ever had!” Nathaniel Lopez’s dream occupation is to be a Disc Jockey, music producer, or a rapper. Nate was in glory creating his own beat.

The ESY camp at the High School is preparing for the end-of-summer Carnival. The class is incorporating the Roller Coaster theme into their carnival games. The students teamed up to create their Roller Coasters. The elementary students will have an opportunity to pick their track and race against an opponent.

STUDENT SPOTLIGHT
This week’s spotlight is on Bryan Melo. He has been working diligently on his Roller Coaster project. He researched the Jenkinson’s Amusement Park. He is independent, cooperative, and a great role model for other students in the ESY program.
Summer Learning
