

# *HOW TO SAVE A LIFE SENIOR AWARENESS PREVENTION PROGRAM*

May 11, 2012

10:00 – 12:00 pm

**ATTENTION!**

**Parents, Guardians, and Students**

The Long Branch High School Senior Class will be part of the How to Save a Life Senior Awareness Program to be held at the Long Branch High School Athletic Field, off of Westwood Avenue.

Please take note that during these hours you will be hearing several ambulance, police, and fire trucks alarms.

The students will witness a pre-arranged demonstration of a motor vehicle accident involving volunteers posing as drunk driving victims.

The Long Branch Public Schools, LBHS Student Assistance Prevention Program, Emergency Medical Services(EMS), First Aid Units, Fire Departments, Paramedics, Rescue Trucks, Damiano Funeral Home, and NJSP Medivac Helicopter will facilitate event.

This will be an unforgettable and inspirational learning experience for our students, families, and community.

If you have any concerns, please contact the high school at 732-229-7300 extension 41009.

Thank you for your continued support.
