The information presented in columns 1 through 3 as well as the related descriptions of the per pupil cost calculations are contained in the Taxpayers Guide to Education Spending (formerly Comparative Spending Guide) and can be found on the Department of Education's Internet website: <http://www.state.nj.us/education> (under Finance), when available. This publication is available in the board office and public libraries. The same calculations were performed using the 2012-13 revised appropriations and the 2013-14 budgeted appropriations presented in this advertised budget. Total Budgetary Comparative Per Pupil Cost is defined as current expense exclusive of tuition expenditures, transportation, residential costs, and judgments against the school district. For all years it also includes the restricted entitlement aids. With the exception of Total Equipment Cost, each of the other per pupil cost calculations presented is a component of the total comparative per pupil cost, although all components are not shown.
