E. STATEMENT TO THE PUBLIC

Mrs. Peters made the following announcement: Oftentimes it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

Time may be allocated for public comment at this meeting. Each speaker may be allotted up to five (5) minutes and one (1) opportunity to address the Board when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

11. DISCUSSION ITEMS

Mr. Rodriguez briefed the Board on the upcoming New Jersey School Board Association workshop in Atlantic City. He stated that on Monday, October 20, 2025 the Board dinner will be held at Angelo's Fairmont Tavern at 5:30 P.M.

Mr. Rodriguez discussed with the Board having the holiday luncheon for the Board and district leadership team at Piancone's versus having a night time event.

Mr. Rodriguez mentioned the upcoming CUBE Conference in San Francisco in September and the 4 Board members who will be attending.

Mr. Rodriguez updated the Board on NJQSAC, highlighting our graduation rate at 96%. He also shared with the Board the New Teacher Orientation which will take place August 27 - 29, 2025 with the first day of school for students being Thursday, September 4, 2025.

Mrs. Peters mentioned that at the Wednesday night meeting, the reports from the committees should be read to the audience members.

The last item discussed was the difference between recusing oneself and abstaining from a vote. Mr. Rodriguez stated that at the training session with a representative from New Jersey School Board, a member would recuse themselves if the motion had something to do with them personally and although either action would not be counted as a vote, the members can choose either action.
