Hello Parents and Students:

It is time to get things rolling for the start of school. We have been working on how to accomplish this safely. I think probably, in your letter to the new beginners the following WEB ADDRESS: www.burleymusicalinstrrepair.com will give them the best avenue to rent an instrument. With this information, they will have a link on the first page (IN RED) to Music and Arts for instrument rentals. They also have access to our accessory page where they can order method books, music stands, reeds and anything else for their musical adventure. This web site also provides all the necessary contact information to us so to make the life of the parents as easy as possible. They may call or email us with any questions they may have.

Please not, all instruments should be marked for DELIVERY TO THE SCHOOL. This way they will come to us and we will deliver them to the teacher. No instrument should be marked delivery to the home. This is a disaster waiting to happen.

Music and Arts has made available the following LINK for your use if you so desire: BE PART OF THE MUSIC: <http://www.bepartofthemusic.org> and PICKING YOUR INSTRUMENT: <http://www.youtube.com/watch?v=JAa4bf8XkRg&t=3s> . Please feel free to preview and/or use at your pleasure.

I hope this is useful for you and your program.
