# *QUICK SOLUTION FOR THE INABILITY TO EDIT YOUR WEBPAGE*

- **NO DROPDOWN OPTIONS WHEN YOU TRY TO EDIT YOUR WEBPAGE? (FONT, SIZE, COLOR, ETC.)**
  - Close "Site Manager" (the page you are using to edit your webpage)

  - Click on the "Compatibility Mode" button located at the top left corner of your Internet Explorer Window – to the right of where you enter the website

  - Open "Site Manager" and edit your page – the dropdown menus will now be accessible
