Mrs. Peters made the following announcement: Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board committee. The members of the Board committee work with the administration and Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. All agenda attachments are available for public review. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

C-1. **STATEMENT TO THE PUBLIC (continued)**

Time may be allocated for public comment at this meeting. Each speaker may be allotted up to five (5) minutes and one (1) opportunity to address the Board when recognized by the presiding officer. Individuals wishing to address the Board shall be recognized by the presiding officer and shall give their names, addresses and the group, if any, that they represent. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not in keeping with the conduct of a proper and efficient meeting. With the exception of those individuals whose names are on the agenda this evening, the Board will not respond to questions during the public participation portion of this meeting involving the employment, appointment, termination of employment, negotiations, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific, prospective or current employee.

**Audrey W. Clark School**

The School of Holistic and Academic Wellness (SHAW) at the Audrey W. Clark School has a mission to provide a safe and nurturing environment where students feel accepted, respected, and valued. The SHAW model is formulated on principles of Maslow's Hierarchy of Needs, the Nurtured Heart Approach, and Restorative Practices. SHAW services students from Grades 1 through 12 as a Tier 3 intervention under New Jersey's Tiered Systems of Support. The program addresses the Top Priority Goals of the district's strategic plan with a focus on Social Emotional Learning, creating pathways to proficiency, ensuring equity and inclusion for all students, opening doors of communication with families, and ensuring students succeed in meeting the standards for graduation.

Through our holistic approach to supporting the whole student, we strive to meet each student where they are at and build on their strengths creating inner wealth for each student. Utilizing our Tiers of Privilege behavioral modification system, students are given the ability to be self-driven and are in charge of the outcome of their day. The Tiers of Privilege focuses on Academics, Self-management, and Personal Conduct. Our goal is to develop youth into positive and contributing members of the Long Branch community.

**BOARD OF EDUCATION  
COUNTY OF MONMOUTH  
STATE OF NEW JERSEY**

**RESOLUTION**

**WHEREAS**, the School Ethics Act, N.J.S.A. 18A:12-21 et seq. was enacted by the New Jersey State Legislature to ensure and preserve public confidence in school board members and school administrators, and to provide specific ethical standards to guide their conduct; and

**WHEREAS**, throughout the State, questions have arisen regarding how a Board should invoke the Doctrine of Necessity when a quorum of a Board of Education cannot be reached due to disqualifying conflicts of interest of Board Members on a matter required to be voted upon; and

**WHEREAS**, the School Ethics Commission ("Commission") provided guidance in Public Advisory Opinion A03-9 (April 1, 1998); and

**WHEREAS**, the opinion set forth that, when it is necessary for a Board to invoke the Doctrine of Necessity, the Board should state publicly that it is doing so, the reason that such action is necessary, and the specific nature of the conflicts of interest; and

**WHEREAS**, the Commission, by resolution dated February 25, 2003, further clarified this standard and required a Board of Education invoking the Doctrine of Necessity to adopt a resolution setting forth that they are invoking the Doctrine, the reason for doing so, and the specific nature of the conflicts of interest; and

**WHEREAS**, the Commission further directed Boards of Education that invoke the Doctrine to read the resolution at a regularly scheduled public meeting, post it where the Board posts regular public notices for a period of thirty (30) days after passage, and provide a copy of the executed resolution to the Commission; and

**WHEREAS**, the Board wishes to invoke the Doctrine of Necessity for the purposes of voting on non-affiliated contracts and non-tenured staff appointments; and

**WHEREAS**, the Board Attorney has reviewed the State regulations and the advisory decisions of the Commission and determined that existing conflicts prohibit five (5) members of the Board from voting on this matter; and

**WHEREAS**, those Board member conflicts are as follows:

- **Violeta Peters** - Mrs. Peters has an immediate family member and/or relative employed by the Board and, therefore, is prohibited from participating in all issues relating to contracts.
- **Armand R. Zambrano Jr.** - Mr. Zambrano has an immediate family member and/or relative employed by the Board and, therefore, is prohibited from participating in all issues relating to contracts

- **Rick Garlipp** – Mr. Garlipp has an immediate family member and/or relative employed by the Board and, therefore, is prohibited from participating in all issues relating to contracts.
- **Tony Torres** – Mr. Torres has an immediate family member and/or relative employed by the Board and, therefore, is prohibited from participating in all issues relating to contracts.
- **Lucille Perez** - Mrs. Perez has an immediate family member and/or relative employed by the Board and, therefore, is prohibited from participating in all issues relating to contracts.

**NOW, THEREFORE, BE IT RESOLVED**, by the Long Branch Board of Education, County of Monmouth, State of New Jersey, as follows:

1. That the aforementioned members are prohibited from participating in voting on non-affiliated contracts and non-tenured staff appointments because of the conflicts outlined above;
2. That the Board therefore invokes the Doctrine of Necessity in order to allow the full body of the Board to vote on non-affiliated contracts and non-tenured staff appointments mentioned herein;
3. That this resolution shall be read at a regularly scheduled meeting of the Board and be posted on the Board's website; and
4. That a copy of this resolution shall be forwarded to the School Ethics Commission.
